Intended use:

The luminaire is meant for standard use in damp environments and in outdoors areas which are covered by roofs. The luminaire is unsuitable for corrosive atmospheres (e.g. swimming pools, intensive animal husbandry, tunnels).

Safety instructions:

These instructions assume expert knowledge corresponding to a completed professional education as an electrician.

Never work when voltage is present on the luminaire. Caution – Risk of fatal injury!

Ensure that the luminaire is undamaged before installation and commissioning.

The manufacturer is not liable for any damage caused by incorrect or unauthorized use or by non-observance of these instructions.

Work on the luminaire (installation, maintenance, servicing, troubleshooting) may only be carried out by authorized electrician.

DALI: Basic insulation between supply-and control terminals.

5-Year warranty policy

Aura Light offers a 5-year warranty regarding manufacturing and material defects in products manufactured and/or sold by Aura Light, provided that the product information for the product in question in digital form via www.auralight.com , or in physical form via printed mailings by Aura Light, refers to this warranty policy.

The luminaire contains a control gear and a replaceable LED light source that shall only be replaced by manufacturer.
