## AVALON Pop Up Tent

## Specifications

- Product Name: Pop-Up Tent
- Manufacturer: Avalon Rents
- Website: [www.avalonrents.com](http://www.avalonrents.com)

## Before You Begin

### Check Contents

- Collapsed tent frame (with canopy top attached)
- Stakes or weights
- Ropes or straps (if applicable)

### Choose a Safe Setup Area

- Flat, level ground
- Clear of power lines and tree branches
- At least 1–2 feet of space around each side

## Step-by-Step Setup

### Position the Frame

- With 2+ people, stand the collapsed frame upright in the desired location.
- Gently pull from diagonal corners—do not fully extend yet.

## **Expand the Frame**

- With one person at each corner, slowly walk the frame outward.
- Stop just before it fully locks open.

## **Lock the Frame**

- Push up the center truss bars (beneath the canopy) until they click into place.
- At each leg, push the corner sliders up until they snap and lock.

## **Raise the Legs**

- Press the height-adjustment button on one leg and lift to the desired height.
- Repeat for all legs, adjusting evenly.
- One person should stabilize the frame during this step.

## **Secure the Tent**

- **Option A: Weights (Recommended)**
  - Attach weights (sandbags, plates, or barrels) to each leg.
  - Use strong straps or ties to fasten securely.
- **Option B: Stakes (Soft Ground Only)**
  - Drive stakes through foot plates at a 45° angle.
  - Optional: Attach and stake guy lines from the top corners for extra stability.

## **Final Checks**

- The canopy should be taut and well-aligned.
- Confirm all joints and sliders are locked.
- Ensure weights or stakes are firmly secured.

## **You're Done!**

Your tent is now set up and secure.

- Periodically check the structure, especially after wind or rain.

## FAQs

### Q: How do I fold the pop-up tent back into its carrying case?

A: To fold the tent, follow these steps:

1. Collapse the tent frame by retracting the poles.
2. Fold the tent fabric inwards, ensuring it is compact and neat.
3. Place the folded tent back into the carrying case according to the manufacturer's instructions.

### Q: Can the pop-up tent be used in rainy conditions?

A: While the tent is designed to provide shelter, it is recommended to use a rainfly or waterproofing treatment for extended protection in heavy rain.
