WARNING

Read these instructions carefully before proceeding. Keep these instructions in a safe place for future reference.

IMPORTANT

We recommend that you consult a qualified electrician. All electrical Installation must be carried out in accordance with current IEE wiring regulations (BS7671).

SAFETY WARNINGS

These products must not be modified in any way or installed in any other way than dictated in these instructions. Any modifications may render the product unsafe and will void the products warranty. -This product is for indoor use only.

WASTE ELECTRICAL & ELECTRONIC EQUIPMENT (WEEE)

The symbol on the product and/or accompanying document, the crossed out wheelie bin, indicates that this product may not be treated as household waste. Instead it should be handed over to the applicable collection point for the recycling of electrical and electronic waste.

MAINTENANCE

- Ensure that the power is disconnected prior to cleaning.
- Wipe over with a cloth periodically.
- Do not use harsh chemical solvents, this may dis-color or damage the finish.

NOTE

Please ensure you use an appropriate driver with an adequate max wattage.
Do not overload the LED Driver.
