I Rack Screws 10-32 (x4)

J Casters With Brake (x2) Without Brake (x2)

**K** DynamiQ 400 Mount (x1)

L Mount Cover (x1)

M Washer 1/4" (x2)

N Nut 1/4" (x2)
Install Tip: As you are installing the bolts and nuts, leave them all loose. Install all of them before tightening. Attach Casters (J) to the end of each Leg (A). Make sure the Casters with Brakes are installed in the front of the cart.
Attach each of the Horizontal Supports (B) (C) (D) to the first Leg (A) using the Bolts (G) and Washers (H) as shown. Make sure the flat side of each support is facing the front of the cart.

Attach the other Leg (A) to the Horizontal Supports (B) (C) (D) using the Bolts (G) and Washers (H) as shown.

Secure Mount Cover (L) between the Top and Middle Horizontal Supports using the Phillips Head Bolts (G) and Washers (H) as shown.

Install the Shelf **(E)** to the vertical rack rails using the Rack Screws **(I)**.

Attach the DynamiQ 400 Mount (K) to the frame by aligning the holes on each side of the mount with the hooks on the top Horizontal Support.
