AVTEQ ELT-2100 Large Format Mobile Display

Items included

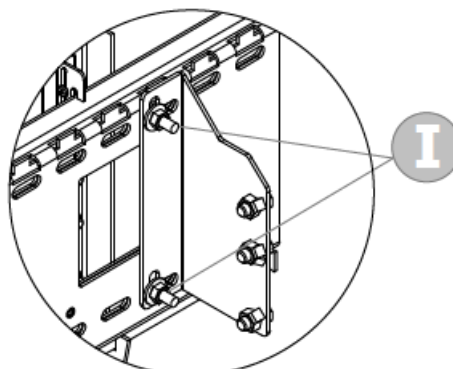

Items not included:

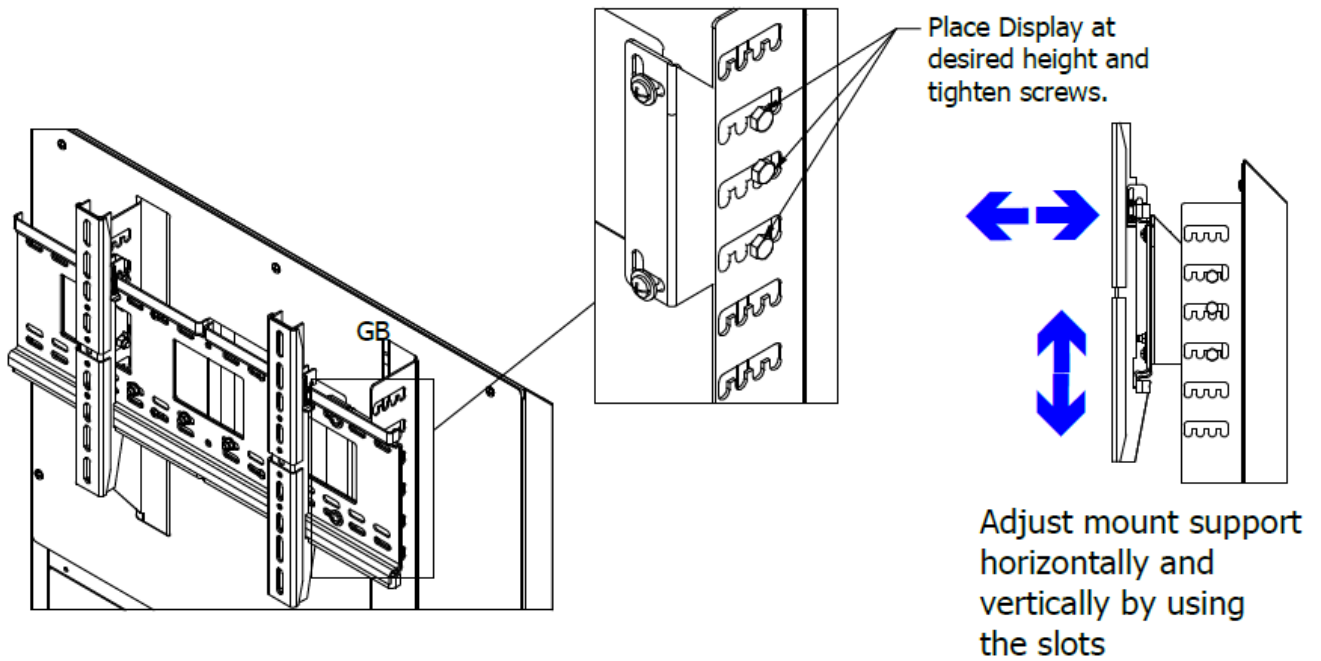

- Phillips screw driver
- Fixed base

INSTALLATION

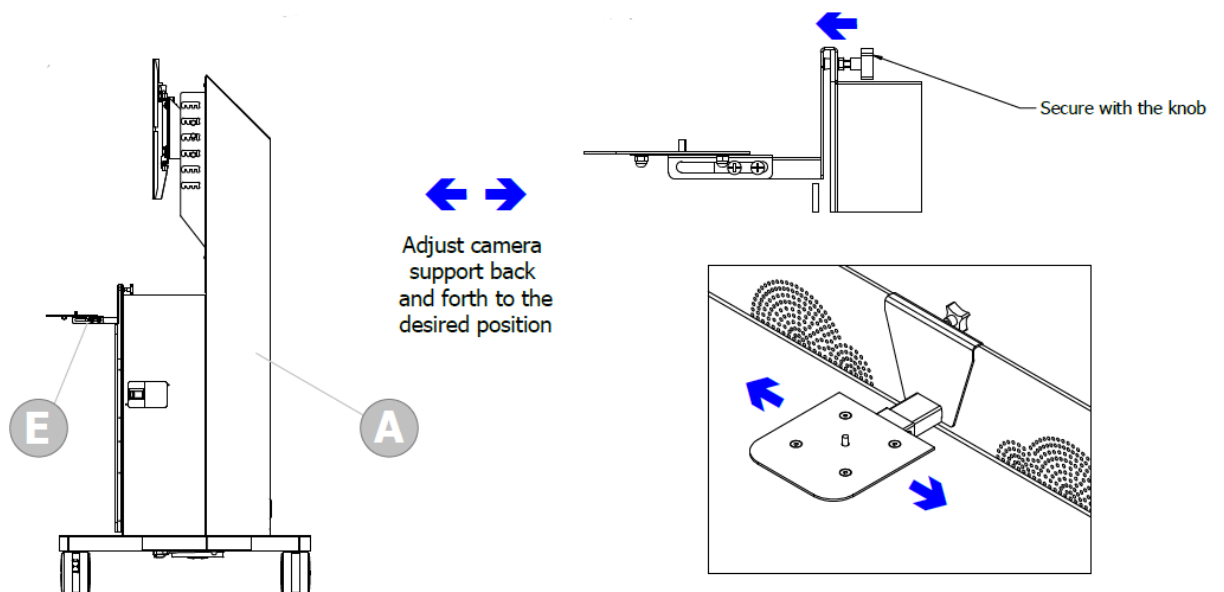

1. Use Mount kit (I) and follow Display mount instructions.

Install Tip: Before installing the Display Mount, measure the VESA pattern on the back of the display to make sure any adjustments to the Display Mount are done prior to mounting it to the cart.

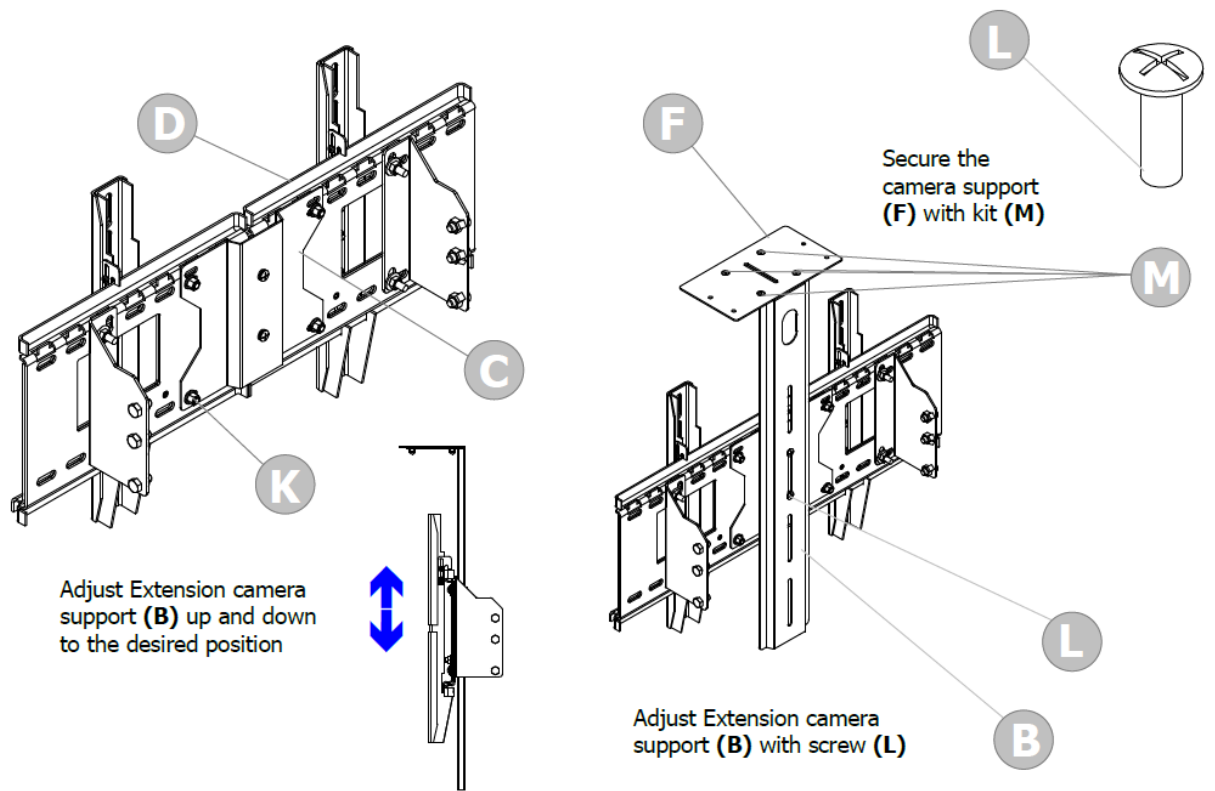

2. Attach Central Camera Support (E) to front of Body (A)

Attention: Follow this step if using Central Camera Support (F)

3. Attach support (C) with 1/4" x 3/4" screws (L) to mount and secure with 1/4" flange nut (K)

Attention: Follow this step if using Extension Camera Support (B and F)
