AWINKING

Awinking XMS049 6-Pack Stake String Lights

INTRODUCTION

The \$17.99 Awinking XMS049 6-Pack Stake String Lights will brighten your outdoor Halloween decorations. This collection of 6 lovely Jack-O'-Lantern pumpkin lights with warm white LEDs and witch hat patterns is excellent for walks, gardens, lawns, and porches. Each pumpkin light on a 12-foot rope is 38 inches apart for an even, eye-catching show. These solar-powered lights charge throughout the day and glow at night for 10-12 hours. These IP65 waterproof plastic devices can survive rain and snow. Its 8 lighting effects and memory feature let you create the atmosphere without resetting it everyday. These eco-friendly, cord-free Halloween lights are easy to install with the accompanying stakes and create a joyful, warm, and eerie ambiance.

WHAT'S IN THE BOX

- 6 x Jack-O'-Lantern Stake Lights with warm white LEDs
- 6 x Ground Stakes for easy installation
- 1 x Solar Panel with Built-in Battery
- User Manual

FEATURES

- **6-Pack Design:** Includes 6 solar-powered Jack-o-Lantern lights, each topped with a

playful witch hat.

- **Warm White LEDs:** Provides a soft, inviting glow for a cozy Halloween ambiance.
- **Solar Powered:** Runs entirely on sunlight—no batteries or electrical outlets required.
- **Automatic Night Lighting:** Lights turn on automatically at sunset for hassle-free operation.
- **Long-Lasting Charge:** 6–8 hours of sunlight provides 10–12 hours of illumination at night.
- **Durable Construction:** Made from sturdy plastic, safe for repeated outdoor use.
- **IP65 Waterproof:** Resistant to rain, snow, and harsh weather conditions.
- **8 Lighting Modes:** Offers multiple effects for customizable Halloween displays.
- **Memory Function:** Remembers your last lighting mode for consistent ambiance every night.
- **12-Foot Cord:** Features 38-inch spacing between pumpkins for even distribution.
- **Easy Assembly:** Simply stake pumpkins into the ground and connect along the cord.
- **On/Off Switch:** Convenient switch located on the solar panel for easy control.
- **Eco-Friendly:** Uses solar energy for an energy-efficient and environmentally friendly solution.
- **Wide Application:** Perfect for walkways, lawns, gardens, porches, or any outdoor Halloween display.
- **Festive Décor:** Adds charm and a playful touch to your outdoor Halloween setup.

SETUP GUIDE

- **Unpack:** Remove all 6 pumpkin lights and the solar panel from packaging.
- **Turn On:** Switch the solar panel's on/off button to "ON."
- **Insert Stakes:** Place ground stakes securely into the soil at your desired locations.
- **Connect Pumpkins:** Attach each pumpkin along the 12-foot cord.
- **Even Spacing:** Position pumpkins approximately 38 inches apart for balanced display.
- **Solar Placement:** Place the solar panel where it receives direct sunlight for optimal charging.
- **Charge:** Allow 6–8 hours of sunlight before first use for full brightness.
- **Test Lights:** Check at night to ensure they turn on automatically.
- **Select Lighting Mode:** Press the button on the solar panel to cycle through 8 modes.
- **Choose Mode:** Pick your preferred lighting effect to match your Halloween décor.
- **Adjust Stakes:** Modify the height or angle of each pumpkin if needed for best

visibility.

- **Tidy Cords:** Ensure wires are not stretched, tangled, or under tension.
- **Clean Solar Panel:** Keep panel free of dust or debris for efficient charging.
- **Off-Season Storage:** Carefully store pumpkins and stakes when not in use.
- **Enjoy Display:** Admire your pathway or lawn decorated with warm, festive Halloween light.

CARE & MAINTENANCE

- **Clean Regularly:** Wipe pumpkins and the solar panel with a dry cloth to remove dust.
- **Avoid Weight:** Do not place heavy objects on pumpkins or wires to prevent damage.
- **Keep Solar Panel Clear:** Remove debris to ensure maximum sunlight absorption.
- **Winter Care:** Remove snow or ice accumulation to protect the lights.
- **Optional Indoor Storage:** Store lights indoors during harsh winter months if desired.

- **Check Stakes:** Inspect stakes periodically to ensure pumpkins remain secure.
- **Do Not Submerge:** Keep lights and solar panel out of water to avoid damage.
- **Inspect Cord & LEDs:** Regularly check for wear or damage and replace if necessary.
- **Avoid Chemicals:** Do not use harsh cleaning agents on plastic pumpkins.
- **Optimal Solar Placement:** Reposition panel if shaded for extended periods.
- **Safe Placement:** Keep pumpkins away from flammable materials.
- **Secure Wires:** Arrange cords to prevent tripping hazards.
- **Replace Damaged Parts:** Swap out faulty LEDs or stakes as needed.
- **Daily Recharge:** Ensure solar panel receives sunlight each day for consistent brightness.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lights not turning on	Solar panel not charged	Place in direct sunlight for 6-8 hours
Lights flicker	Low battery/storage issue	Allow full charging and check for obstructions
Some pumpkins not lighting	Loose connection	Check connections along the cord
Lights dim	Solar panel partially shaded	Move panel to full sunlight
Timer not working	Mode not set	Press mode button to activate memory function
Lights stay on during day	Faulty sensor	Reset solar panel or adjust angle
Pumpkins not stable	Improper stake insertion	Reinsert stakes firmly

Problem	Possible Cause	Solution
LEDs not bright	Dirt on solar panel	Clean solar panel surface
Lights off at night	Switch turned off	Turn solar panel switch to “ON”
Cord tangled	Improper placement	Straighten and secure cord
Panel exposed to water	Heavy rain	Ensure panel is upright and protected
Light mode resets	Memory malfunction	Press mode button to reselect mode
One pumpkin off	Damaged LED	Replace pumpkin or contact manufacturer
Pumpkins tilt	Loose soil	Firmly press stakes into ground
Lights inconsistent	Insufficient charging	Charge for full 6-8 hours

PROS & CONS

Pros:

- Solar-powered, no need for outlets or batteries.
- Cute, classic pumpkin design with warm white glow.
- 8 lighting modes with memory function.
- Durable and waterproof for outdoor use.
- Easy installation with stakes and lightweight design.

Cons:

- Requires direct sunlight for optimal charging.
- Not suitable for complete submersion in water.
- Limited to 12-foot string with 6 pumpkins.
- Brightness depends on solar panel exposure.
- On/off switch and modes must be manually operated initially.

WARRANTY

The **Awinking XMS049 6-Pack Stake String Lights** come with a standard manufacturer warranty covering defects in materials or workmanship. If the product malfunctions under normal outdoor use, Awinking offers repair or replacement. To maintain warranty validity, follow all usage instructions, charge properly in sunlight, and avoid physical damage to the pumpkins or solar panel. Keep your purchase receipt for any claims.

FREQUENTLY ASKED QUESTIONS

What is the Awinking XMS049 6-Pack Stake String Lights?

The Awinking XMS049 6-Pack Stake String Lights are solar-powered Halloween pathway lights featuring 6 cute pumpkin lanterns with warm white LEDs, perfect for decorating gardens, yards, and walkways.

How many LEDs are included in the Awinking XMS049 6-Pack Stake String Lights?

There are 6 warm white LED lights, one in each pumpkin lantern.

How long do the Awinking XMS049 6-Pack Stake String Lights stay lit?

Once fully charged, the lights can last approximately 10-12 hours throughout the night.

What materials are used in the Awinking XMS049 6-Pack Stake String Lights?

The pumpkins and stakes are made of high-quality durable plastic, designed for long-term outdoor use.

How far apart are the pumpkin lights on the Awinking XMS049 6-Pack Stake String Lights?

The 6 lanterns are spaced approximately 38 inches apart along a 12 ft cord.

What if some of the Awinking XMS049 6-Pack Stake String Lights do not light up?

Ensure the on/off switch on the solar panel is in the ON position. Check that the solar panel has received sufficient sunlight for charging and inspect the LED connections for damage.

Where can I place the Awinking XMS049 6-Pack Stake String Lights?

They are ideal for pathways, gardens, lawns, yards, fences, porches, and Halloween decorations.
