AX05TB02 Dual Monitor Stand Vertical Stack Screen

Specifications

- **Product Name:** Computer Monitor Stand
- **Model:** AX05TB02
- **VESA Compatibility:** 50mm/75mm/100mm

Parts Included

The following parts are included in the package

- 1 x Part 1
- 2 x Part 2
- 1 x Part 3
- 4 x Part C1
- 2 x Part D
- 4 x Part E1
- 2 x Part A
- 3 x Part C2
- 1 x Part E2

Assembly Instructions

Please follow these steps to assemble the computer monitor stand:

1. Step 1: Attaching Part E1 and Part 6

As shown in the pictures, insert Part E1 into Part 6. Ensure that the direction of these spare parts is correct.

2. Step 2: Attaching Part 2 and Part 3

Once Part E1 and Part 6 are connected, you can put Part 2 and Part 3 together. Make sure they are aligned properly.

3. Step 3: Attaching Part 5 to the Bottom Post

As shown in the figure, slip Part 5 into the interface of the bottom post. Use screws (M8*25) to secure it in place.

4. Step 4: Installing the TV

Choose the right screws for your TV from the included TV installation bag. Refer to the TV's user manual for the appropriate screw size. Use the provided plastic parts and washers as needed for proper installation.

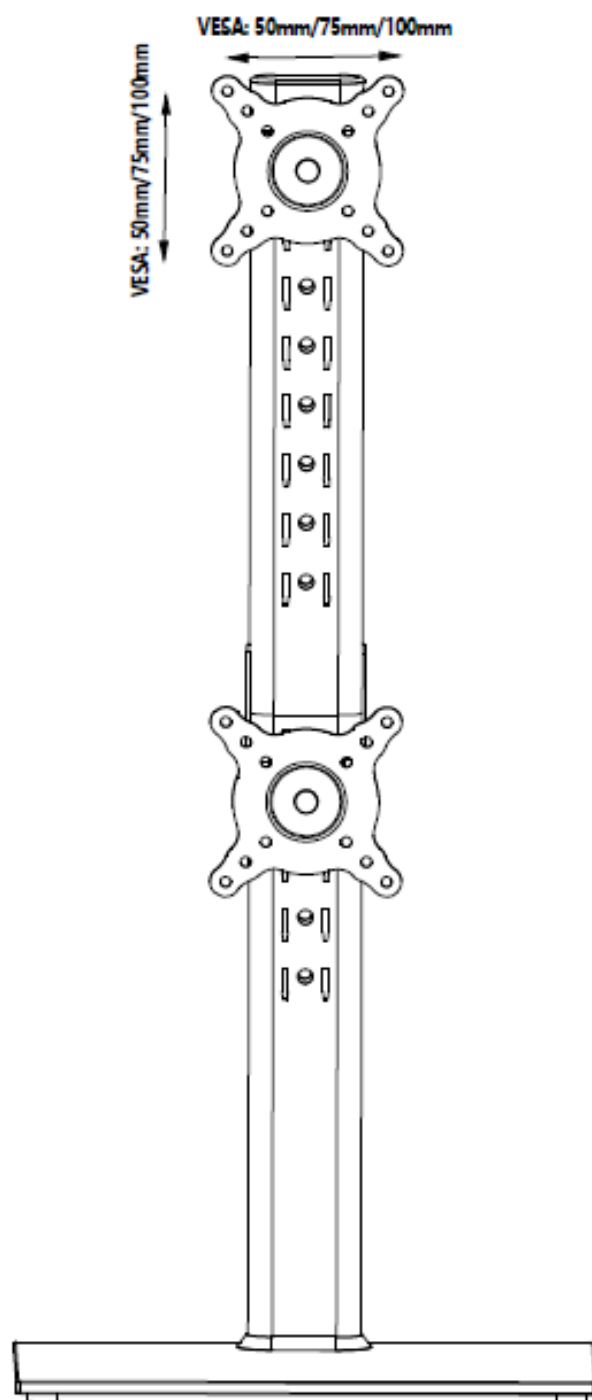

5. Step 5: Adjusting the Monitor Angle

Use the height adjustable gear and tilt tube to adjust the monitor angle according to your preference.
