MAINTENANCE

Check whether all the nuts are on the bolts and whether there are any sharp edges, replace part as necessary. It is necessary to check regularly for splinters, loose screws and the tightness of joints and/or fastenings. If necessary, nuts and bolts must be tightened. 'Regularly means: when you put it up and twice a month during the outdoor play season.

Once a year check the state of the protective stain layer. To ensure the optimum durability, the AXI product needs to be given a new coat of stain every year. Use a water-based paint / stain based on natural components for this.
