MAINTENANCE

Check whether all the nuts are on the bolts and whether there are any sharp edges, replace part as necessary. It is necessary to check regularly for splinters, loose screws and the tightness of joints and/or fastenings. If necessary, nuts and bolts must be tightened. 'Regularly means: when you put it up and twice a month during the outdoor play sea-son. Once a year check the state of the protective stain layer. To ensure the optimum durability, the AXI product needs to be given a new coat of stain every year. Use a water-based paint / stain based on natural components for this.

WARRANTY

Congratulations on your purchase of this AXI product. You have bought a product you will enjoy for many years. AXI pro-vides a 2-year warranty – when properly used – on accessories and a 10-year warranty on the joints and wood in accordance with the general warranty terms & conditions. If the product does not reach you in good condition or if there are other problems, please contact your dealer or point of sale where you purchased the product.
