### **Product Usage Instructions AXIS TP6901-E Adapter Bracket P56**

Before installing the AXIS TP6901-E Adapter Bracket P56, carefully read through the Installation Guide provided with the product. Keep the Installation Guide for future reference. Follow these instructions to install the AXIS TP6901-E Adapter Bracket P56:

1. Locate a suitable location for the P56 electrical installation box.
2. Attach the P56 electrical installation box to a suitable mounting surface using screws and anchors that are

appropriate for the mounting surface. Ensure that the mounting surface is strong enough to support the weight of the P56 electrical installation box and any equipment that may be mounted on it.

3. Attach the AXIS TP6901-E Adapter Bracket P56 to the P56 electrical installation box using screws and washers provided with the product. Tighten the screws securely.
4. Attach an Axis Q60-E camera to the AXIS TP6901-E Adapter Bracket P56 using screws provided with the camera. Tighten the screws securely.
5. Connect the camera to a suitable power source and network using cables appropriate for the installation. Refer to the camera's user manual for more information.
6. Adjust the camera's position and angle as desired.

For more information regarding product usage, refer to the user manual provided with the product.

### **Read this first**

Read through this Installation Guide carefully before installing the product. Keep the Installation Guide for future reference.\

### **Liability**

Every care has been taken in the preparation of this document. Please inform your local Axis office of any inaccuracies or omissions. Axis Communications AB cannot be held responsible for any technical or typographical errors and reserves the right to make changes to the product and manuals without prior notice. Axis Communications AB makes no warranty of any kind with regard to the material contained within this document, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Axis Communications AB shall not be liable nor responsible for incidental or consequential damages in connection with the furnishing, performance or use of this material. This product is only to be used for its intended purpose.
