**T94S01P AXIS Junction Box**

## Read this first

Read through this installation guide carefully before you install the product.

Keep the installation guide for future reference.

## Legal considerations

- Video and audio surveillance can be regulated by laws that vary from country to country.
- Check the laws in your local region before using this product for surveillance purposes.

## Liability

- Every care has been taken in the preparation of this document. Please inform your local Axis office of any inaccuracies or omissions.
- Axis Communications AB cannot be held responsible for any technical or typographical errors and reserves the right to make changes to the product and manuals without prior notice.
- Axis Communications AB makes no warranty of any kind about the material contained within this document, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose.
- Axis Communications AB shall not be liable nor responsible for incidental or consequential damages in connection with the furnishing, performance, or use of this material.
- This product is only to be used for its intended purpose.

## Intellectual property rights

- Axis AB has intellectual property rights relating to technology embodied in the product described in this document.
- In particular, and without limitation, these intellectual property rights may include one or more of the patents listed at [axis.com/patent](https://axis.com/patent) and one or more additional patents or pending patent applications in the US and other

countries.

## **Equipment modifications**

- This equipment must be installed and used in strict accordance with the instructions given in the user documentation.
- This equipment contains no user-serviceable components.
- Unauthorized equipment changes or modifications will invalidate all applicable regulatory certifications and approvals.

## **Trademark acknowledgments**

- AXIS COMMUNICATIONS, AXIS, ARTPEC, and VAPIX are registered trademarks of Axis AB in various jurisdictions.
- All other trademarks are the property of their respective owners.

## **Regulatory information**

### **Europe**

- This product complies with the applicable CE marking directives and harmonized standards: Restriction of Hazardous Substances (RoHS) Directive 2011/65/EU and 2015/863, including any amendments, updates, or replacements.
- See A copy of the original declaration of conformity may be obtained from Axis Communications AB. See Contact information on.

### **Safety**

- This product complies with IEC/EN/UL 62368-1, safety of audio/video and IT equipment, and IEC/EN/UL 60950-22, Safety of Information Technology Equipment.
- When this product has reached the end of its useful life, dispose of it according to local laws and regulations.
- For information about your nearest designated collection point, contact your local authority responsible for waste disposal.
- Per local legislation, penalties may be applicable for incorrect disposal of this waste.

### **Europe**

- This symbol means that the product shall not be disposed of together with household or commercial waste. Directive 2012/19/EU on waste electrical and electronic equipment (WEEE) is applicable in the European Union member states.
- To prevent potential harm to human health and the environment, the product must be disposed of in an approved and environmentally safe recycling process.
- For information about your nearest designated collection point, contact your local authority responsible for waste disposal. Businesses should contact the product supplier for information about how to dispose of this product correctly.

- This product complies with the requirements of Directive 2011/65/EU and 2015/863 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS).

## **China**

- This product complies with the requirements of SJ/T 11364-2014, Marking for the restriction of hazardous substances in electrical and electronic products.

## **Safety instructions**

### **NOTICE**

- The Axis product shall be used in compliance with local laws and regulations.
- Use only applicable tools when installing the Axis product. Using excessive force with power tools could cause damage to the product.
- Do not use chemicals, caustic agents, or aerosol cleaners.
- Use a clean cloth dampened with pure water for cleaning.
- Use only accessories that comply with the technical specifications of your product.
- These can be provided by Axis or a third party. Axis recommends using Axis power source equipment compatible with your product.
- Use only spare parts provided by or recommended by Axis.
- Do not attempt to repair the product yourself. Contact Axis support or your Axis reseller for service matters.

## **Transportation**

### **NOTICE**

When transporting the Axis product, use the original packaging or equivalent to prevent damage to the product.
