AYGXU WPT01 Light-up Witch Cauldron Tripod

INTRODUCTION

A spooky touch to your Halloween festivities with the **\$34.99** AYGXU WPT01 Light-up Witch Cauldron Tripod. This witch's cauldron on a metal tripod is 52 inches tall and excellent for adorning your yard, patio, garden, lawn, or inside party settings. When lit, the 12.6-inch cauldron with silk wool, green lighting eyes, and a shower cap-wearing skeleton creates a frightening atmosphere. Green flashing lights powered by 2 AA batteries (not supplied) offer Halloween fun. Durable metal makes the cauldron and tripod simple to construct, robust, and long-lasting. Halloween fans seeking to wow visitors and create a lovely, eerie environment could use this witch cauldron decoration, which works inside and outdoors.

- 1 x String of Green Glowing Eyeballs
- 1 x Skeleton Wearing a Shower Cap
- 1 x Silk Wool for Cauldron Filling
- Manual

FEATURES

- **Large Witch Cauldron:** A 12.6-inch diameter cauldron, perfect for creating a spooky and mystical Halloween display.
- **Sturdy 51.2-Inch Tripod:** Provides a stable base that keeps the decoration secure whether used indoors or outdoors.

- **Mystic Green Lights:** Flickering green LED lights cast an eerie glow, enhancing the haunted atmosphere at night.
- **Skeleton Included:** Features a skeleton wearing a shower cap to add humor and spooky detail to your setup.
- **String Lights with Eyeballs:** Green glowing eyeballs on the string lights heighten the creepy, Halloween-ready vibe.
- **Lightweight Design:** Weighing only 1.8 kilograms, it's easy to move and position anywhere.
- **Metal Construction:** Durable metal materials ensure long-lasting use through multiple Halloween seasons.
- **Battery Operated:** Requires 2 AA batteries (not included), allowing for convenient and cordless setup.
- **Indoor & Outdoor Use:** Ideal for patios, gardens, lawns, or indoor Halloween displays.
- **Easy Assembly:** Designed for quick and simple setup, making decorating effortless.
- **Spooky Detail:** Silk wool inside the cauldron simulates a bubbling potion, creating a magical and eerie effect.
- **Portable:** Lightweight tripod allows easy relocation to achieve optimal placement.
- **Party Ready:** Adds excitement and a focal point for Halloween parties and themed events.
- **Durable Materials:** Metal frame and quality decorative elements ensure use across multiple seasons.
- **Festive Appeal:** Combines lights, skeleton, and cauldron into a complete Halloween centerpiece.

SETUP GUIDE

- **Unpacking:** Remove all components carefully, including cauldron, tripod, skeleton, string lights, and silk wool.
- **Tripod Assembly:** Connect all metal legs securely to create a stable base.
- **Cauldron Placement:** Place the cauldron on top of the tripod for secure and balanced positioning.
- **Potion Effect:** Fill the cauldron with silk wool to simulate mystical, bubbling smoke.
- **Skeleton Positioning:** Place the skeleton inside or next to the cauldron, complete with shower cap for effect.
- **Light Setup:** Wrap the eyeball string lights around the cauldron and tripod for maximum impact.
- **Battery Installation:** Insert 2 AA batteries into the compartment (batteries not included).
- **Light Test:** Turn on the green LED lights to ensure proper functioning.

- **String Adjustment:** Arrange lights evenly to achieve the best glow and visual appeal.
- **Stability Check:** Confirm the tripod is level and secure on the ground.
- **Final Touches:** Adjust silk wool and skeleton placement for maximum spooky effect.
- **Display Positioning:** Set up in your preferred indoor or outdoor location.
- **Wire Safety:** Ensure all wires and lights are safely secured to avoid tripping hazards.
- **Nighttime Test:** Observe the display in the dark to ensure the eerie ambiance is achieved.
- **Enjoy:** Step back and enjoy your fully assembled, magical Halloween centerpiece.

CARE & MAINTENANCE

- **Cleaning:** Wipe the metal tripod and cauldron with a dry or slightly damp cloth.
- **Chemical Safety:** Avoid harsh cleaning products that could damage materials.
- **Battery Care:** Remove batteries when not in use for extended periods to prevent leakage.
- **Storage:** Store the skeleton, string lights, and cauldron in a cool, dry place.
- **Light Inspection:** Check string lights for loose bulbs or damaged wires before each use.
- **Silk Wool Maintenance:** Smooth silk wool after storage to preserve the realistic potion effect.
- **Tripod Inspection:** Examine metal legs for bending or wear prior to display.
- **Water Safety:** Keep the decoration away from water to prevent damage.
- **Heat Precaution:** Avoid placing near open flames or heat sources.
- **Battery Replacement:** Replace batteries promptly for consistent LED brightness.
- **Wire Management:** Carefully detangle string lights after use to prevent damage.
- **Secure Assembly:** Ensure all parts are firmly attached before each display.
- **Skeleton Care:** Clean the skeleton and shower cap gently to maintain appearance.
- **Wind Protection:** Protect the decoration from strong winds to prevent tipping outdoors.
- **Light Test:** Regularly check LEDs to ensure proper functioning before each Halloween.

Why Choose Us?

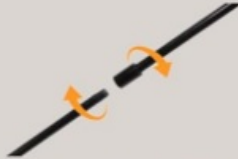

OUR

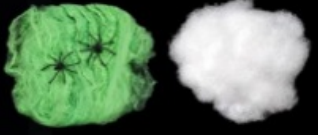

No installation required, portable storage

VS

OTHER

Needs to be installed

Contains silk cotton and green spider webs

VS

Only white silk cotton

Remote control eye ball string lights

VS

Only ordinary light strings without remote control

15.7" skeleton wearing a shower cap

VS

No skeletons

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lights not turning on	Dead or missing batteries	Insert 2 AA batteries
Flickering green lights	Loose battery connections	Check battery compartment
Tripod unstable	Legs not secured	Adjust and tighten tripod legs
Skeleton falling	Improper positioning	Reposition skeleton securely
String lights not illuminating	Loose connections or dead batteries	Check connections and replace batteries

Issue	Possible Cause	Solution
Cauldron tipping	Uneven ground	Place on level surface
Lights dim	Weak batteries	Replace with new AA batteries
Eyeballs not glowing evenly	Improper placement	Adjust position of string lights
Decoration leaning	Tripod misaligned	Straighten tripod legs
Skeleton cap falling	Poor attachment	Reattach shower cap properly
Wires tangled	Improper storage	Detangle carefully
Lights not blinking	Mode setting issue	Reset lights and test
Silk wool flattened	Storage	Fluff wool for effect
Decoration moves in wind	Outdoor placement	Anchor tripod or move to sheltered area
LED lights burnt out	Overuse or defect	Replace LEDs if possible

PROS & CONS

Pros:

- Large and eye-catching outdoor Halloween decoration.
- Sturdy tripod ensures stability.
- Green flickering lights enhance spooky atmosphere.
- Easy to assemble and portable.
- Combines cauldron, skeleton, and string lights for full effect.

Cons:

- Batteries not included.
- Requires battery replacement for extended use.

- Metal tripod may bend if mishandled.
- Sensitive to strong winds outdoors.
- Indoor setup requires space consideration due to height.

WARRANTY

The AYGXU WPT01 Light-up Witch Cauldron Tripod comes with a manufacturer warranty covering defects in materials and workmanship. Any malfunction with the tripod, cauldron, lights, or skeleton within the warranty period can typically be repaired or replaced. This ensures your Halloween display remains spooky, functional, and worry-free each season.
