## Health and safety

- Assemble on a soft level surface to avoid damaging the unit or your floor.
- This product should not be used if any parts are missing or broken.
- All fixings should be checked and tightened before use and periodically tightened.
- Do not strike with a sharp implement.
- Do not allow product to become wet.
- Always use on a level and even surface.
- To ensure an easier assembly, we strongly advise that all fittings are only finger tightened during initial

assembly. Only upon completion of the assembly should all fixing points be fully tightened.
