AYN ODIN2 PORTAL Game Handheld Console

Product Usage Instructions

Interface Introduction

- **Volume:** +/- L2 L1
- **ON/OFF:** R2 R1
- **Select:** Analog Joystick/L3
- **D-Pad:** Home
- **Start:** A/B/X/Y Analog Joystick/R3 Return
- **M2:** USB Type-C
- **M1:** TF Card
- **Audio Jack**

Safety Tips

1. Throwing battery into a fire or water can cause the battery to rupture.
2. Never attempt to charge a battery that has been physically damaged.
3. Don't leave the battery in the charger once it is fully charged.
4. Don't break the battery with a sharp tool to cause leakage or explosion.
5. Be careful of burns when the surface temperature of the machine is high.

FCC Compliance

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation. To ensure compliance, follow these instructions: – Reorient or relocate the receiving antenna. – Increase the separation between the equipment and receiver. – Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. – Consult the dealer or an experienced radio/TV technician for help. The device has been evaluated to meet general RF exposure requirements.

OVERVIEW

Volume +/- — ON/OFF
L2 — R2
L1 — R1

Select — Start
Analog Joystick/L3 — A/B/X/Y
D-Pad — Analog Joystick/R3
Home — Return

M2 — M1
AYN — TF Card

USB Type-C — Audio Jack

SPECIFICATION

	ODIN2 PORTAL BASE/PRO/MAX
Processor	8Gen2
Process	4nm
CPU	1*X3@3.2G 2*A715@2.8G 2*A710@2.8G 3*A510@2G
GPU	Adreno 740
Cooling	Active Cooling
Battery	8000mAh
Charging Speed	27Watt
Connectivity	Wi-Fi +BT5.3
Interface	USB 3.1 Type C/3.5mm Audio Jack support TF card slot
Video Output	DisplayPort 4Kp60
OS	Android 13
Size	257*98.6*17.2mm
Weight	430g
RAM	8GB/12GB/16GB
Storage	128GB/512GB/1TB

Safety Tips

1. Throwing a battery into a fire or water can cause the battery to rupture.
2. Never attempt to charge a battery that has been physically damaged.
3. Don't leave the battery in the charger once it is fully charged.
4. Don't break the battery with sharp tool to cause leakage or explosion.
5. Be careful of burns when the surface temperature of the machine is high.

FCC

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.ct.

The device has been evaluated to meet general RF exposure requirements.

FAQs

- **Q: What should I do if my device gets hot?**
  - A: If your device becomes too hot, stop using it and allow it to cool down before resuming operation.
- **Q: Can I charge the device overnight?**
  - A: It is recommended not to leave the device charging overnight to prevent overcharging.
- **Q: How do I clean the device?**
  - A: Use a soft, dry cloth to gently clean the exterior of the device. Avoid using liquid cleaners.
