BAHCO 834V-2 Round Guide Portable Bench Vices

Product Usage Instructions

Assembly

1. Place the bench vise on a stable work surface.
2. Insert the guide rod into the base and secure it with the provided screws.
3. Attach the interchangeable jaws to the vise by sliding them into place and tightening the screws.

Usage

1. Adjust the vise jaws to the desired opening width by turning the handle clockwise or counterclockwise.
2. Place the workpiece between the jaws and tighten them securely for a firm grip.
3. Ensure the vise is securely attached to the work surface before use.

PRODUCT INFORMATION

Bahco 834V-2 Round Guide Portable Bench Vice with Interchangeable Jaws 2 Inch / 54mm

FAQs

- **Q: How do I change the interchangeable jaws?**
 - A: To change the jaws, loosen the screws holding the current jaws in place, slide them out, and then insert the new jaws and tighten the screws securely.
- **Q: Can this vise be used for heavy-duty applications?**
 - A: While the vise is durable, it is recommended to check the maximum load capacity specified in the user manual before using it for heavy-duty applications.
