BALDWIN FILTERS RS4636 Radial Seal External Air Element

Specifications

- Product: Filters for IHC School Buses
- Brand: Baldwin Filters
- Product Types: Air filters, Fuel filters, Lube filters
- Part Numbers: Over 7,800 part numbers available

INTRODUCTION

Baldwin delivers a superior line of filtration products for heavy-duty on- and off-highway vehicles. For over 80 years, our US-based team has designed and produced millions of filters to the strictest quality control standards. Today our line includes fuel, lube, air, coolant, hydraulic and transmission filters. With over 7,800 part numbers, Baldwin has the product coverage and quality you need in a single source filter supplier.

Use Baldwin Filters to:

- meet service intervals
- avoid unplanned downtime
- achieve rated parts life
- maintain warranty

MAXIMUM PERFORMANCE AIR

Baldwin Radial Seal air filters are built to hold more. Nothing gets past these high performing air filters. The durable design means your equipment is protected under the harshest conditions for the entire service interval.

RS4636
Radial Seal
Air Filter

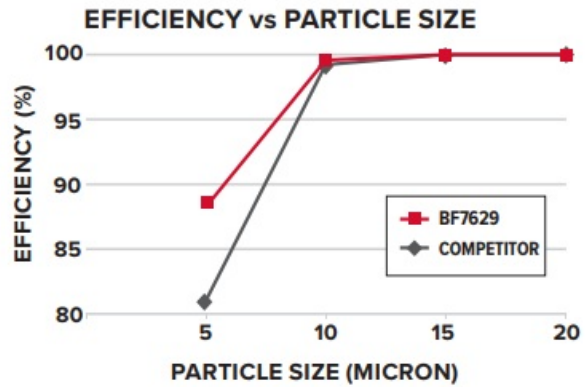

ISO 4548-12 Test: Flow Rate 28 gpm,
ISO Medium Test Dust, Termination at 25 psid

HIGH EFFICIENCY FUEL

Baldwin fuel filters use sophisticated new technologies to keep fuel pristinely clean of even the smallest contaminants and enable precision, high pressure fuel systems to operate at maximum performance.

BF7629
High Efficiency
Fuel Filter

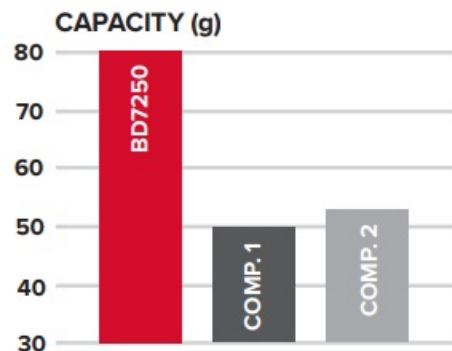

ISO 19438 Test: Flow Rate 3 gpm,
ISO Medium Test Dust, 104°F, Termination at 5 psid

SUPERIOR CAPACITY LUBE

Longer drain intervals require filters that have both high capacity and the ability to withstand the rigors of time and temperature without failing or going into bypass. Baldwin's lube filters are up to the challenge.

FAQ

- **Q: What types of filters are available for IHC School Buses?**

A: Baldwin Filters offer air, fuel, and lube filters for IHC School Buses, designed for maximum performance and efficiency.

- **Q: How can I ensure the filters provide optimal protection?**

A: Regularly check and replace the filters according to the manufacturer's recommendations to maintain peak performance and protect your equipment.
