- **Compatible devices:** USB flash drive/hard drives/mice/USB mini fans/USB portable night lamps and other devices with USB ports
- **Compatible types:** laptops and desktops with USB ports

Product diagram

Product Features

1. **Convenient and expanded** the single USB port of laptops or tablets to 4 ports and solved the difficulty caused by the lack of Type-C ports. A necessity for business trips.
2. **Can be connected** to multiple devices at the same time. Realize high working efficiency for office laptop port expansion and mobile offices.
3. **Adopted the design** of micro power port, is accessible to 2 TB hard drive, easy to read and use.
4. **5.0 Gbps superfast data transmission**, highly efficient data transmission for high-definition movies and large volumes of files.
5. **Compatible with multiple devices**: applicable to USB flash drives, hard drives, mice, keyboards, USB mini fans, and other 5 V USB devices.
6. **The product** is small and easy to carry around. Aluminium alloy with high-efficiency cooling effects enables more stable transmission.
7. **The product** is available for use after plugged in. No driver installation needed.

Precautions

1. Don't allow any object (e.g., combustible material, needle) or any liquid (e.g., water, beverage) to drop into or infiltrate the product, which may otherwise make the product unable to use normally.
2. If this device is not used for a long time, it must be bagged and placed in the packing box for storage to

prevent dust build-up, which may otherwise oxidize the receptacles resulting in poor contact.

*Please do not attempt to repair this device or replace any part thereof by yourself (unless otherwise there is any maintenance instruction in this manual). Please leave repair issues completely for you dealer or the authorized agent.

Compatible system: Google Chrome OS/MAC OS/Windows 7/8/10 among other systems.

Notes

1. The produce driver has been incorporated in the product. Installation will be done automatically when the device is successfully connected. Plug and play.
2. Different computer brand may have different computer configuration. If your computer cannot install the driver automatically, please proceed with the following method:

Driver Genius installation method: Download the Driver Genius software from the Driver Genius official website and then proceed with quick installation according to the prompts; or you may ask Baseus customer service for the driver download link and install the driver according to the prompts.

Removing instructions

1. Before removing your device, please stop using the other devices it connects, and select “safely removing other devices”, to avoid any damage to data and devices.
2. To remove any device in Windows system, please click on “Safe to Remove Hardware” icon and click on the USB device you wish to safely remove.

Warranty Conditions

A new product purchased in the Alza.cz sales network is guaranteed for 2 years. If you need repair or other services during the warranty period, contact the product seller directly, you must provide the original proof of purchase with the date of purchase.

The following are considered to be a conflict with the warranty conditions, for which the claimed claim may not be recognized:

- Using the product for any purpose other than that for which the product is intended or failing to follow the instructions for maintenance, operation, and service of the product.
- Damage to the product by a natural disaster, the intervention of an unauthorized person or mechanically through the fault of the buyer (e.g., during transport, cleaning by inappropriate means, etc.).
- Natural wear and aging of consumables or components during use (such as batteries, etc.).
- Exposure to adverse external influences, such as sunlight and other radiation or electromagnetic fields, fluid intrusion, object intrusion, mains overvoltage, electrostatic discharge voltage (including lightning), faulty supply or input voltage and inappropriate polarity of this voltage, chemical processes such as used power supplies, etc.
- If anyone has made modifications, modifications, alterations to the design or adaptation to change or extend the functions of the product compared to the purchased design or use of non-original components.

EU Declaration of Conformity

Identification data of the manufacturer's / importer's authorized representative:

- **Importer:** Alza.cz a.s.
- **Registered office:** Jankovcova 1522/53, Holešovice, 170 00 Prague 7
- **CIN:** 27082440

subject of the declaration:

- **Title:** HUB adapter box
- **Model / Type:** Baseus-CAHUB-F01, F02, G01

The above product has been tested in accordance with the standard(s) used to demonstrate compliance with the essential requirements laid down in the

Directive(s):

Directive No. 2014/30/EU

Directive No. 2011/65/EU as amended 2015/863/EU Prague

WEEE

This product must not be disposed of as normal household waste in accordance with the EU Directive on Waste Electrical and Electronic Equipment (WEEE – 2012/19 / EU). Instead, it shall be returned to the place of purchase or handed over to a public collection point for the recyclable waste. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. Contact your local authority or the nearest collection point for further details. Improper disposal of this type of waste may result in fines in accordance with national regulations.
