SET UP

UNPACK and INSPECT SUPPLIED PARTS

- Ensure you have been supplied with the following parts:
- We recommend that you visually inspect the Folding Walking Frame parts prior to assembly:

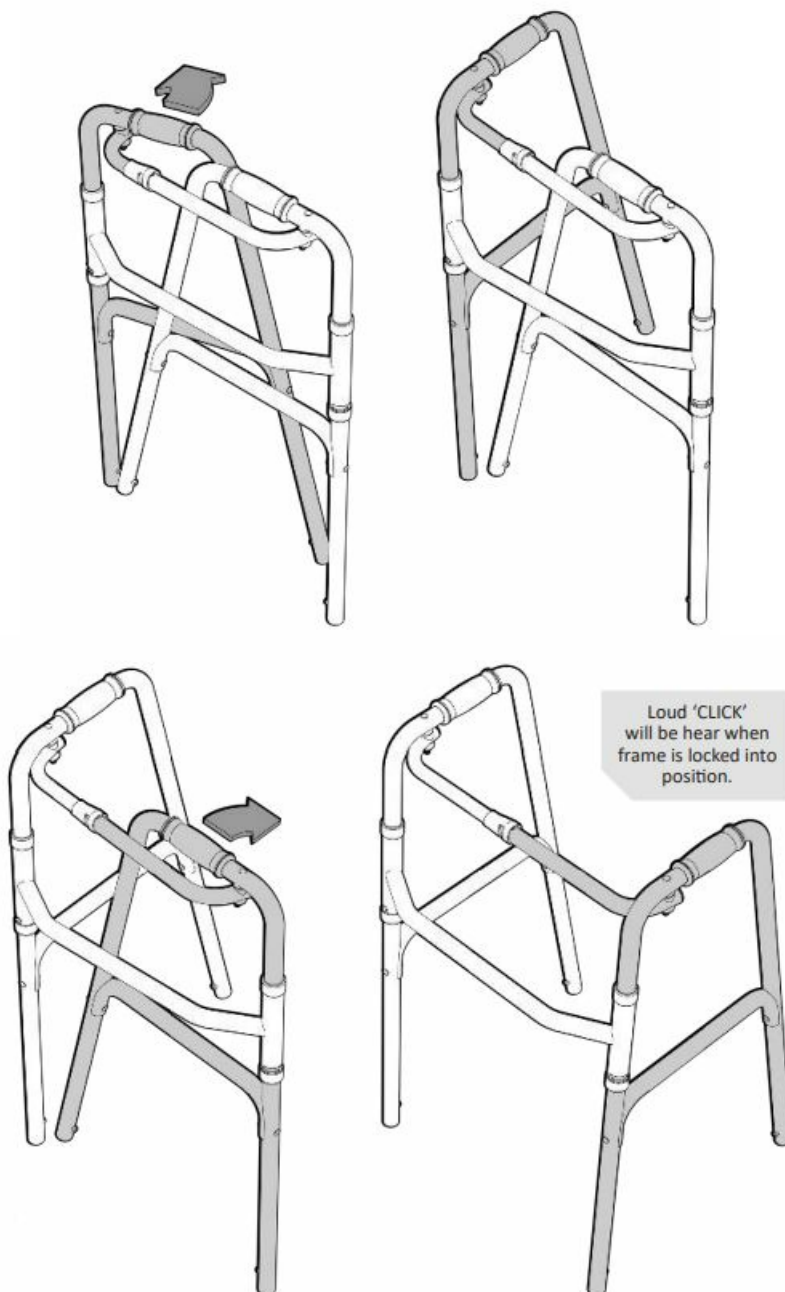

UNFOLD FRAME

- The Folding Walking Frame needs to be unfolded out of the box.

Please follow these steps to unfold the frame:

1. Rotate out the side frame that is on the outside of the frame.
2. Rotate out the other side frame.
 - A loud 'click' will be heard when the side frames have been locked into position.

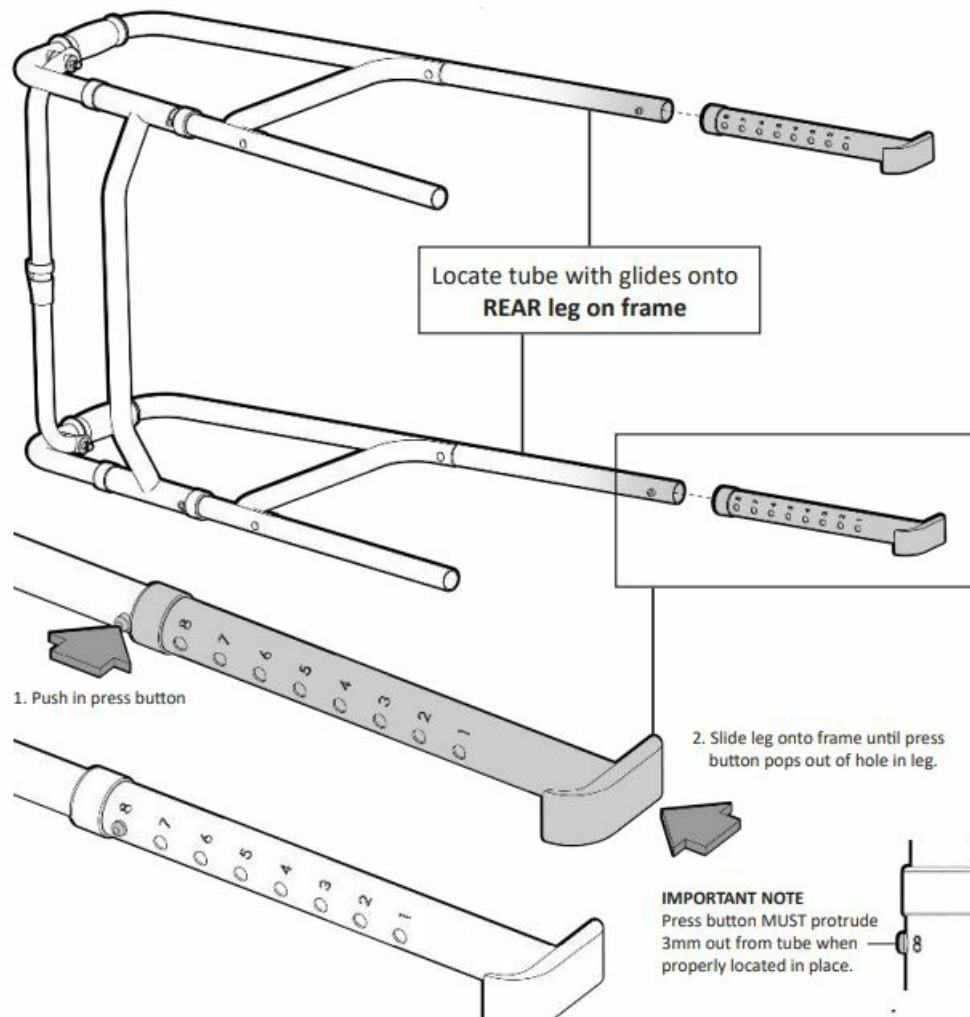

ASSEMBLY

FIT REAR GLIDES

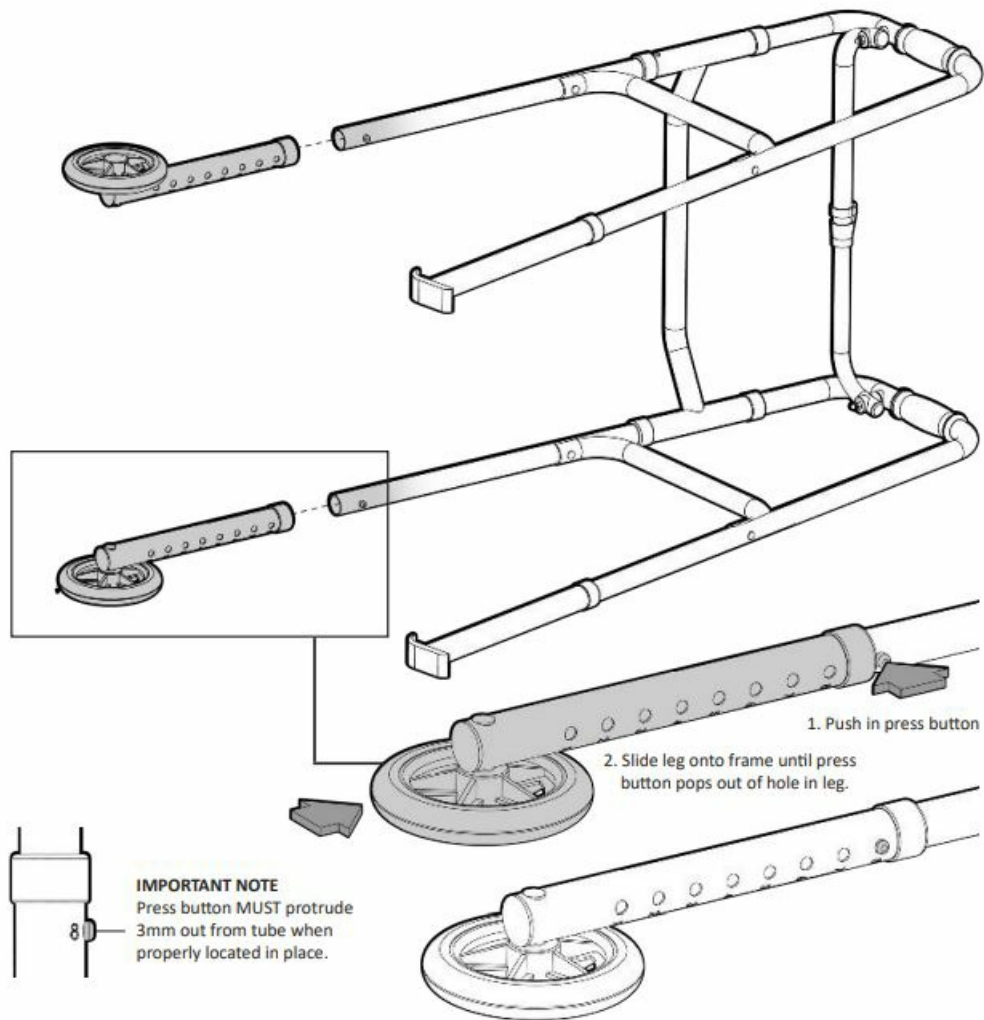

Please follow these steps to fit rear glides to frame:

1. Put the unfolded frame on its side.
2. Offer up leg with glide to REAR LEG of side frame.
 - Align holes in leg with press button on frame.
3. Slide leg onto frame.
4. Push in press button and continue to slide leg onto frame until press button pops out of hole in leg. (Refer to page 7 for walking frame height adjustment)
5. Repeat process to fit other leg with glide onto frame.

Please follow these steps to fit front wheels to frame:

1. Put the unfolded frame on its side.
2. Offer up leg with wheel to **FRONT LEG** of side frame.
 - Ensure wheel is facing toward **OUTSIDE** of frame.
 - Align holes in leg with press button on frame.
3. Slide leg onto frame.
4. Push in press button and continue to slide leg onto frame until press button pops out of hole in leg. (Refer to page 7 for walking frame height adjustment)
5. Repeat process to fit other leg with wheel onto frame.

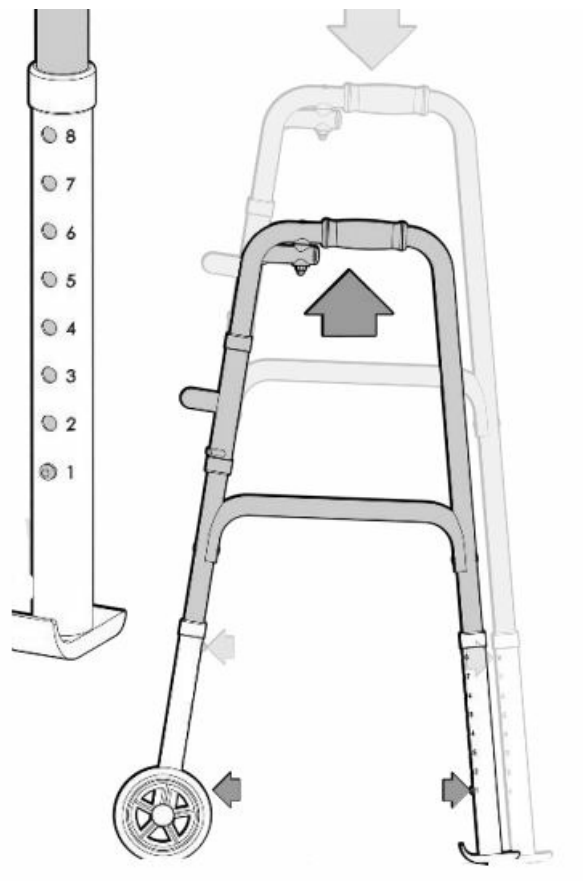

SET UP

WALKING FRAME HEIGHT ADJUSTMENT

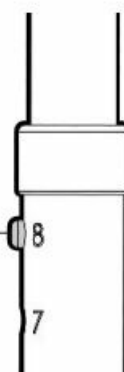

- We recommend that the The folding Walking Frame be set at the correct height for the user.
- The user should be able to hold onto the hand grip with a straight arm when using the walking frame.

To adjust the height of the frame:

- Push in press button and slide leg onto frame until press button pops out of required hole in leg.
- Repeat process to adjust other legs onto walking frame.
- Use numbers on leg tube to ensure all legs are set at the same height.

IMPORTANT NOTE
Press button MUST protrude
3mm out from tube when
properly located in place.

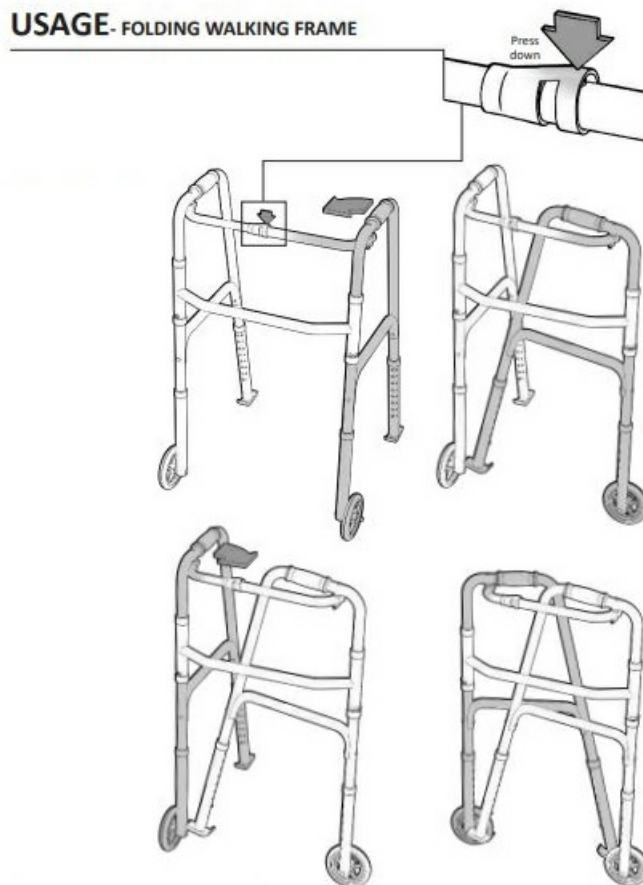

USAGE

FOLDING WALKING FRAME

- The Folding Walking Frame can be folded for storage and transit.

To fold the Walking Frame follow these steps:

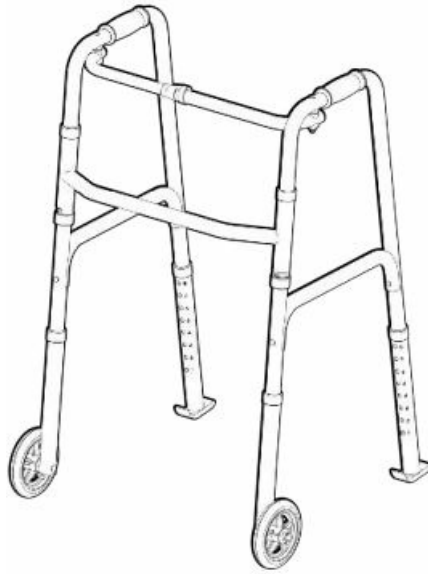

- Press down on the raised section of the plastic part found on the upper cross tube and rotate in the side frame.
- Rotate in the other side frame.

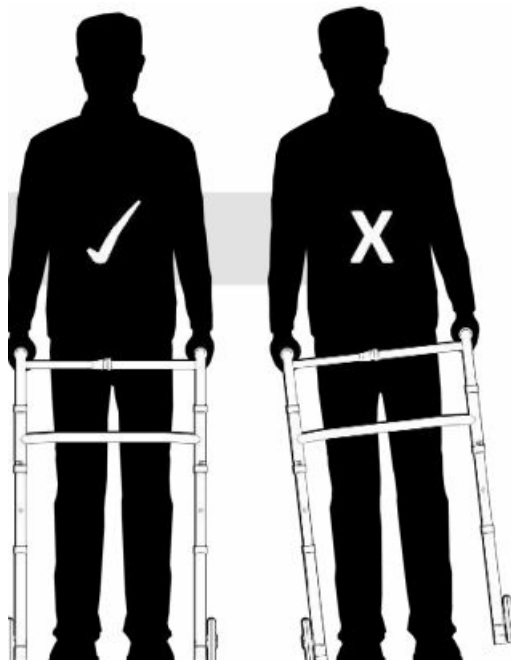

USAGE GUIDELINES

DO's + DON'TS

- Please follow these guidelines to get the optimal benefit from the Folding Walking Frame.
- Failure to follow these guidelines may result in damage to the Folding Walking Frame and put the user at risk.
- The Folding Walking Frame is designed to take 136kg Maximum Load.
- Do not overload the product!
- Periodically inspect to the Folding Walking Frame prior to use to ensure it is in good working order. (Refer to)

- Always adjust the Folding Walking Frame to correct height for the user. (Refer to)
- Never use the Folding Walking Frame to pull yourself up into a standing position as it may tip over. Use as a balancing aid once standing.
- Never hang any objects (ie. bag) off the Folding Walking Frame as it might tip over.
- Avoid lifting the Folding Walking Frame off the ground where possible.
- Ensure wheels and glides are in contact with the ground.
- Take care when using
- Folding Walking Frame on uneven or wet ground.
- If you have any issues or questions about the Folding Walking Frame please contact your supplier or BASICS by Redgum direct.

PRODUCT CARE

INSPECTIONS / CLEANING

INSPECTIONS

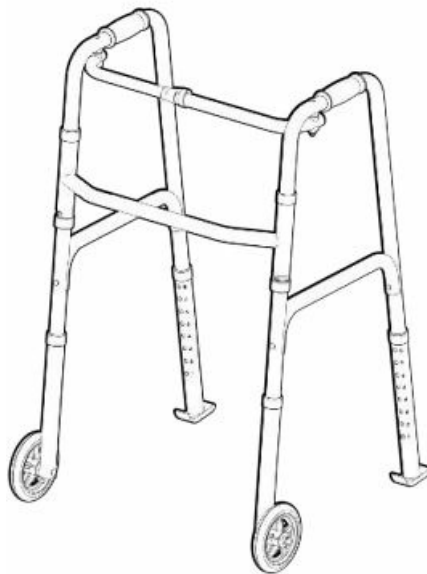

- We suggest that the Folding Walking Frame is visually checked periodically for signs of damage or wear prior

to use. Overall check the following:

- Frame has no distortion.
- Hand grips are not damaged or worn.
- Front wheels are not damaged and spin freely (Remove any hair or lint).
- Rear glides are not damaged or worn.
- Withdraw the Folding Walking Frame immediately if you suspect damage or any other fault. If in any doubt, please do not issue or use, but immediately contact your supplier for service support.

CLEANING

- Clean the Folding Walking Frame using a non-abrasive cleaner or mild detergent with a soft cloth.
- Abrasive cleaners or abrasive cleaning pads could damage the Walking Frame and should not be used.
- If you have any issues or questions about the Folding Walking Frame please contact your supplier or
- BASICS by Redgum direct.

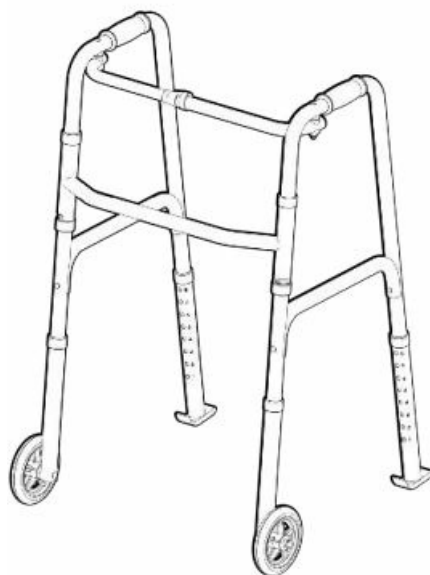

WARRANTY

The BASICS by Redgum:

- B4070WS – FOLDING WALKING FRAME is covered by a 12 Month Warranty from the date of purchase.
- If the product has any manufacturing faults during this period contact the place of purchase for assessment. Failures as a result of ACCIDENTAL MISUSE, MODIFICATION OR WEAR AND TEAR ARE NOT COVERED BY THIS WARRANTY.
- Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement part for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and failure does not amount to major failure.
- If you have any issues or questions about the Folding Walking Frame please contact your supplier or BASICS by Redgum direct on:
 - **T: +61 8 9248 4180**
