BDXXJ

BDXXJ K20 Essential Oil Diffuser

Launch Date: December 14, 2023

Price: \$9.99

Introduction

The chic and functional BDXXJ K20 Essential Oil Diffuser is a great addition to any house or business. This diffuser is made to easily improve your well-being by creating a calming and fragrant environment. It serves both novice and seasoned essential oil users with its elegant design and effective functionality. With its large 200ml water tank, the BDXXJ K20 can mist continuously or sporadically for up to 8 hours. You can adjust the ambiance to suit your mood thanks to the seven LED light colors, and its ultra-quiet operation guarantees a calm setting. Furthermore, safety is ensured by the auto shut-off feature, which switches off the diffuser when the water level is low. This diffuser is lightweight, portable, and ideal for usage in a variety of environments. The BDXXJ K20 Essential Oil Diffuser's calming effects and pleasant aroma will elevate your atmosphere.

Specifications

- **Noise Level:** <30dB

Package Includes

- 1 x BDXXJ K20 Essential Oil Diffuser
- 1 x USB cable

- 1 x AC adapter
- 1 x Measuring cup
- 1 x User manual

Features

- **Large Capacity:** The BDXXJ K20 Essential Oil Diffuser comes with a generous 200ml water tank. This capacity allows for extended use without the need for frequent refills, making it convenient for long-lasting aromatic sessions.
- **Quiet Operation:** Equipped with ultra-quiet technology, the BDXXJ K20 Essential Oil Diffuser ensures a peaceful environment. This feature is perfect for use in bedrooms, offices, or any space where tranquility is desired.
- **7 LED Light Colors:** The diffuser offers a choice of 7 soothing LED light colors. These colors can be selected to match your mood or decor, adding an aesthetic appeal to your space while creating a calming ambiance.

- **Multiple Mist Modes:** The BDXXJ K20 Essential Oil Diffuser provides flexibility with its misting options. Users can select between continuous or intermittent misting modes, allowing for a personalized aromatic experience based on individual preferences.
- **Auto Shut-off:** Safety is a key feature of the BDXXJ K20 Essential Oil Diffuser. It automatically turns off when the water level is low, preventing any risk of overheating or damage, and ensuring safe operation at all times.
- **Portable Design:** Designed to be compact and lightweight, the BDXXJ K20 Essential Oil Diffuser is easy to carry and use in various settings. Its portable design makes it ideal for travel or moving between rooms in your home.

- **Easy to Use:** Creating a serene ambiance is simple with the BDXXJ K20 Essential Oil Diffuser. Just add a few drops of your favorite essential oils and water to the high-quality diffuser. It transforms your space into a fragrant paradise, reminiscent of blooming fields, or indulges you in the luxury of a spa, all at a fraction of the price.

- **Premium Materials:** Crafted using top-grade, baby-safe PP material, the BDXXJ K20 Essential Oil Diffuser ensures the utmost safety for your little ones and pets. Enjoy the benefits of aromatherapy without any worry.
- **Whisper-quiet Relaxation:** Utilizing advanced ultrasonic technology, the BDXXJ K20 Essential Oil Diffuser operates silently, producing less than 18dB of noise. The gentle trickle of water creates a serene atmosphere superior to any white noise machine, ensuring undisturbed sleep or work.
- **Multi-functional:** The diffuser features a 250ml easy-to-clean water tank, 7 soothing LED light colors, 3 mist timer modes, and a safety auto-off function to prevent overheating when the water runs out. Note: No wall plug is included.

Fine Mist Swiftly Spreads Aroma Evenly

2.4MHz Atomization

- **Reliable After-sales:** The BDXXJ K20 Essential Oil Diffuser comes with a one-year warranty and stringent quality control. Whether as a gift for loved ones or personal use in the bedroom, office, living room, or yoga room, you can create a tranquil ambiance with confidence.

Usage

- **Setup:** Place the diffuser on a flat surface and remove the cover.
- **Fill with Water:** Use the included measuring cup to fill the water tank up to the maximum line (200ml).
- **Add Essential Oils:** Add 5-10 drops of your favorite essential oil to the water.
- **Turn On:** Plug in the diffuser using the USB cable or AC adapter, and press the mist button to start.
- **Select Modes:** Choose your preferred mist mode (continuous or intermittent) and light color.
- **Enjoy:** Relax and enjoy the soothing aroma and ambiance created by the diffuser.

Care and Maintenance

- **Daily Cleaning:** After each use, empty the water tank and wipe it dry with a soft cloth.
- **Deep Cleaning:** Once a week, clean the diffuser thoroughly by filling the tank with water and adding a few drops of vinegar. Let it run for a few minutes, then empty and rinse.
- **Avoid Using Harsh Chemicals:** Do not use abrasive cleaners or solvents on the diffuser.
- **Check Water Level:** Always ensure the water level is above the minimum line before use.
- **Store Properly:** When not in use, store the diffuser in a cool, dry place.

Troubleshooting

Issue	Possible Cause	Solution
The diffuser not turning on	The power source is not connected properly	Ensure the USB cable or AC adapter is plugged in securely.
No mist output	The water level is too low	Add more water to the tank.
Weak mist output	Essential oil residue blocking the mist outlet	Clean the mist outlet and water tank.
LED lights not working	LED light mode not selected	Press the light button to select a color.
Water leakage	Diffuser not placed on a flat surface	Place the diffuser on a level surface.
Strange noise	Low water level or uneven surface	Refill the water tank and place it on a flat surface.
Mist smells off	Residue buildup in the water tank	Clean the water tank thoroughly with vinegar and water.
Short runtime	Excessive essential oil or insufficient water	Use the correct amount of water and essential oil.
Auto shut-off not working	Sensor malfunction or blockage	Clean the sensor and ensure it is not obstructed.

Pros and Cons

Pros

- Stylish design that complements home decor
- Quiet operation ideal for bedrooms and offices
- Adjustable mist settings for a personalized experience

Cons

- Limited water capacity may require frequent refills
- Some users report a learning curve for optimal oil use

Customer Reviews

- **Review 1:** “I love the BDXXJ K20 Essential Oil Diffuser! It’s incredibly quiet and the LED light options are perfect for setting a relaxing mood in my bedroom. The large 200ml tank means I don’t have to refill it often, and the auto shut-off feature gives me peace of mind. Highly recommend for anyone looking to enhance their home with soothing scents.”
- **Review 2:** “The BDXXJ K20 Essential Oil Diffuser is a great addition to my office. It’s compact and lightweight, making it easy to move around. The multiple mist modes and color-changing lights are fantastic. The only downside is that it doesn’t come with a wall plug, but overall, it’s an excellent diffuser for the price.”
- **Review 3:** “This diffuser is amazing! The BDXXJ K20 Essential Oil Diffuser has a premium feel with its baby-safe materials. I use it every night, and the whisper-quiet operation helps me sleep soundly. The safety auto-off function is a great feature, especially when I forget to turn it off. Worth every penny!”
- **Review 4:** “The BDXXJ K20 Essential Oil Diffuser is perfect for creating a spa-like atmosphere at home. I

love the 7 LED light colors and the easy-to-clean water tank. It's very user-friendly and the mist output is just right. It has become an essential part of my daily relaxation routine. Highly recommend!"

- **Review 5:** "I've been using the BDXXJ K20 Essential Oil Diffuser for a few weeks now, and I'm very impressed. The design is sleek and modern, fitting perfectly with my home decor. The large water tank allows for extended use, and the diffuser operates quietly. The only improvement could be including a wall plug, but it's still a fantastic product overall."
