Welcome

Thank you for purchasing this Beikell product. In order to ensure the best performance and safety, please read this user manual carefully and save it for future reference. If you need any other help, please contact our customer support team or email us to support@ibeikell.com.

Instructions for Use

1. Insert the SD/TF card into the corresponding port of the card reader.
2. Insert the card reader into an available USB C port on your computer or a USB C port on a tablet or Android phone that supports the OTG function.

3. Once the card reader is successfully connected, the blue LED lights up and you can transfer or edit the data on the media card.

Note: You need to insert the SD/TF card into the card reader before using it, and then connect the external device.

Specifications

Interface Type	USB C
Support Systems	Windows OS 10/8/7, Mac OS, Chrome OS, Linux
Input Voltage	5V
Maximum Charging Current	900mA
