## Safety Warning

1. Do not use the product once damaged.
2. Avoid drops, impact, and extrusion.
3. Keep it away from water, fire, flammable gas, and corrosive liquid.
4. Please do not disassemble or repair the product yourself as this may damage it or even cause a safety hazard.
5. No app download is required for use on an Android smartphone/tablet, but OTG support is required. (not compatible with iPhone interface.)
6. Do not disconnect the card reader during the file transfer process.
7. Do not use the files on the memory card directly for a long time as this may lead to high temperatures.
8. To avoid the danger of suffocation, keep the product away from babies and children.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

## Disposal

This product is subject to the provisions of European Directive 2012/19/EC. The symbol showing a wheelie bin crossed through indicates that the product requires separate refuse collection in the European Union. This applies to the product and all accessories marked with this symbol. Products identified with this symbol may not be discarded with normal household waste but must be taken to a collection point for recycling electric and electronic appliances. This recycling symbol marks e.g. an object or parts of the material as valuable for recycling. Recycling helps to reduce the consumption of raw materials and protect the environment.
