Warning

1. Do not use the product once damaged
2. Avoid drops, impact, and extrusion.
3. Keep it away from water, fire, flammable gas and corrosive liquid.
4. Please do not disassemble or repair the product yourself as this may damage it or even cause a safety hazard
5. Use in indoor and outdoor normal temperature environment
6. The product should be safely removed for actual use, otherwise the data will be lost accidentally and the

company will not make any data recovery

7. Do not use the files on the memory card directly for a long time as this may lead to high temperatures.

This product is subject to the provisions of European Directive 2012/19/EC. The symbol showing a wheeled bin crossed through indicates that the product requires separate refuse collection in the European Union. This applies to the product and all accessories marked with this symbol. Products identified with this symbol may not be discarded with normal household waste, but must be taken to a collection point for recycling electric and electronic appliances. This recycling symbol marks e.g. an object or parts of the material as valuable for recycling. Recycling helps to reduce the consumption of raw materials and protect the environment.
