## Product Usage Instructions

### 1. Unboxing and Assembly

When you receive the product, carefully unbox it and lay out all the parts as per the instruction manual. Follow the step-by-step assembly guide to put together your unit.

### 2. Cleaning and Maintenance

Regularly clean the unit with a damp cloth to remove dust and dirt. Avoid using harsh chemicals that may damage the finish. For maintenance, tighten any loose screws or fittings periodically.

### 3. Placement and Use

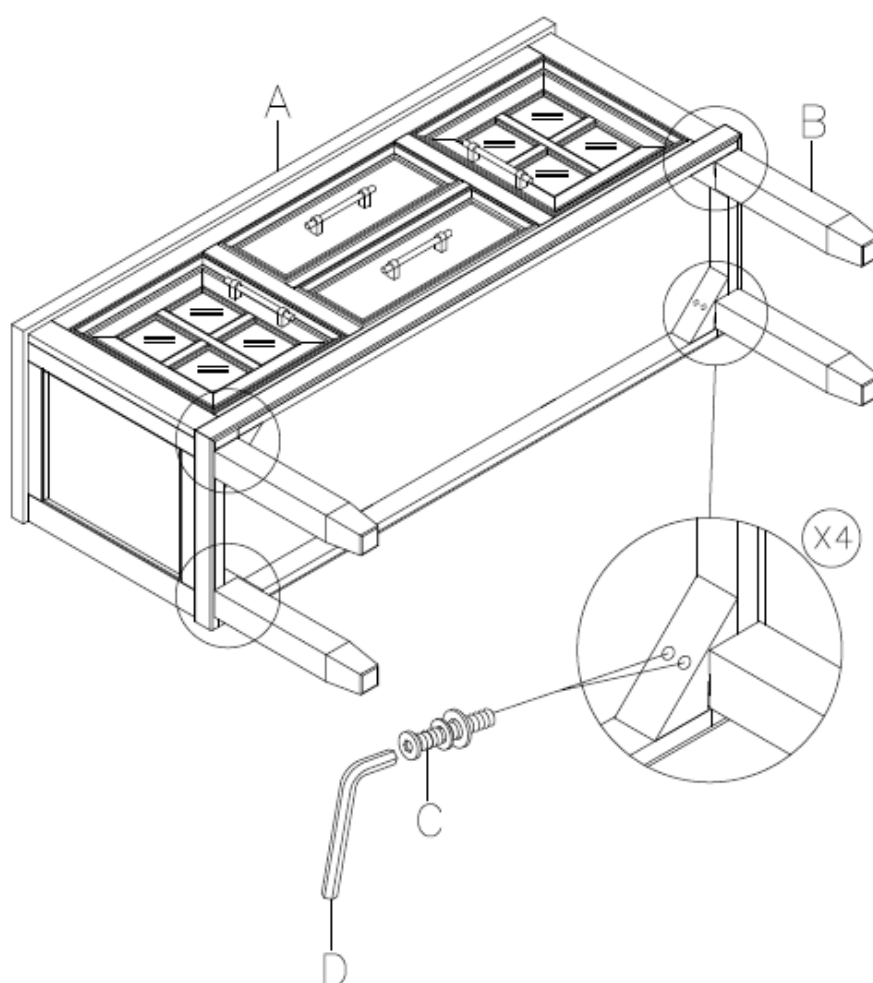

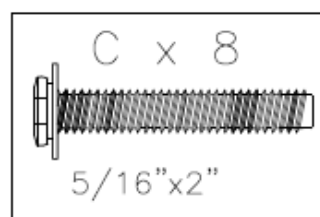

Place the unit on a flat and stable surface to ensure proper functionality. Avoid placing heavy objects on top of the unit that exceeds the recommended weight limit.

### 4. Disassembly and Moving

If you need to disassemble the unit for moving or storage, refer to the instruction manual for guidance. Take care to protect the parts from damage during disassembly and reassembly.

**WARNING !**

The use of the included tipping restraint may reduce, but not eliminate, the risk of furniture tip over. Follow the instructions on the plastic bag for proper installation.

## FAQs

**Q: The unit I received looks different from the illustrations in the manual. Is this normal?**

A: Yes, variations in appearance may occur based on manufacturing updates or regional differences. As long as the functionality remains the same, it is normal.

**Q: How often should I clean and maintain the unit?**

A: It is recommended to clean the unit regularly, depending on usage, to maintain its appearance and functionality. A general guideline is to clean it at least once a month.

**Q: What should I do if I encounter missing parts during assembly?**

A: If you find any missing parts, please contact our customer service at the provided number or email address for assistance in obtaining the necessary components.
