—

Setup

1. Remove the monitor and stand from the packaging.
2. Attach the stand to the monitor.
3. Secure the base to the stand.

For a setup video, scan the QR code.

—

Adjustments

Adjust the monitor tilt between -5° and 15°.

—

Video Connections

Connect your video source using one of the following:

- HDMI
- DisplayPort (DP)
- USB-C

—

Audio Connections

Connect audio devices using:

- Soundbar via eARC HDMI
- Headphones via audio jack

—

Power On

Press the power button to turn on the monitor.

—

VESA Mounting

Use M4 x 10 mm screws to mount the monitor using a VESA-compatible bracket.

—

Installing Software

Download and manage color modes for game titles using Color Shuttle from **support.BenQ.com**.

—

Remote Control

Non-Europe

Insert battery into the remote control.

Europe

1. Open the battery compartment.
2. Insert the battery.
3. Close the compartment.

Ensure the remote is within 6 meters and 60° of the monitor for optimal performance.

—

Specifications

Feature	Details
