Regulatory statements

- Not all models are available in all regions. If certain safety regulations are required for specific region, Ban ensures that products available in that region are complied with the requested regulations.
- This document provides country- and region-specific regulatory notices and compliance information for Ban gaming gear products. Some of these notices may not apply to your product.

FCC Statements

Federal Communications Commission (FCC) Notice (U.S. Only) **WARNING:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference.
- This device must accept any interference received including interference that may cause undesired operation.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Radiation Exposure Statement:

The product comply with the FCC portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

- **CAUTION:** Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- (U. S. only) Visit www.beng.com/en-us or zowie.benq.com/en-us (for gaming gears) > Support > Download & FAQ > the purchased model > the User Manual tab to access the SDOC (Supplier's Declaration of Conformity) document. If multiple SDoC documents are available, refer to the one that its Model name is identical with the Model ID on the rating label of the product. You may not find your product's SDOC document online as it was

not required at the time the product was manufactured. However, it does not change the fact that the product has been tested to comply with FCC standards, as indicated by the FCC logo on the product or on the rating label.

EU REACH SVHC Disclosure on Candidate List

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals, EC 1907/2006) is the European Union's (EU) chemical substances regulatory framework. REACH requires BenQ Corporation to provide customers with sufficient information on Substances of Very High Concern (SVHC) contained in products in concentration above 0.1% weight by weight (w/w) to allow safe use of the product.

RoHS Statement

This product is compliant to implemented RoHS (Restriction of Hazardous Substances) type regulations worldwide.

UKCA Declaration of Conformity

The object of the declaration described above is in conformity with the relevant UK harmonisation legislation:

- Electromagnetic Compatibility Regulations 2016
- The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012
- Radio Equipment Regulations 2017

EU ROHS

Coarse Classification	Chemical Substance Table									
	Pb	Hg	Cd	Cr+6	PBB	PBDE	DEHP	BBP	DBP	DIBP
Upper/bottom case	O	O	O	O	O	O	O	O	O	O
Roller	O	O	O	O	O	O	O	O	O	O

Bangladesh RoHS Statement

“This product shipping to Bangladesh comply with RoHS requirements as prescribed in the Hazardous Waste (E-waste) Management Rules, 2021 by Government of Bangladesh

EC DOC & CE mark

DECLARATION OF CONFORMITY The device complies with the requirements set out in the Council Directives relevant Union harmonization legislation:

- EMC Directive 2014/30/EU
- RoHS Directive 2011/65/EU & (EU) 2015/863
- RED Directive: 2014/53/EU

WEEE directive

Disposal of Waste Electrical and Electronic Equipment and/or Battery by users in private households in the European Union.

This symbol on the product or on the packaging indicates that this can not be disposed of as household waste. You must dispose of your waste equipment and/or battery by handing it over to the applicable take-back scheme for the recycling of electrical and electronic equipment and/or battery. For more information about recycling of this equipment and/or battery, please contact your city office, the shop where you purchased the equipment or your

household waste disposal service. The recycling of materials will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and environment.

Recycling information: See <https://www.beng.com/en-us/support/recycling/global-recycle.html> for details.
