BFUNTOYS F202 Large Light Up Robot Dino

Launch Date: 2023

Price: \$2,000

Introduction

For kids, the BFUNTOYS F202 Large Light Up Robot Dino is a fun and functional toy that is sure to keep their attention. This dinosaur robot blends cutting-edge technology with a fun prehistoric theme. It lets kids explore an exciting world. The BFUNTOYS F202 is a lot of fun because it moves realistically, lights up, and has sound effects. Kids will enjoy playing with it because it walks, roars, and dances. Kids can control the dinosaur's movements with the remote control, which helps them develop their hand-eye balance and motor skills. The BFUNTOYS F202 is made of long-lasting, child-safe materials that make sure you have a safe and fun time. This is a great gift for boys and girls ages 3 and up, and it's great for birthdays, holidays, or any other special event.

- **Color:** Blue, Red
- **Occasion Type:** Christmas, New Year's, Birthday

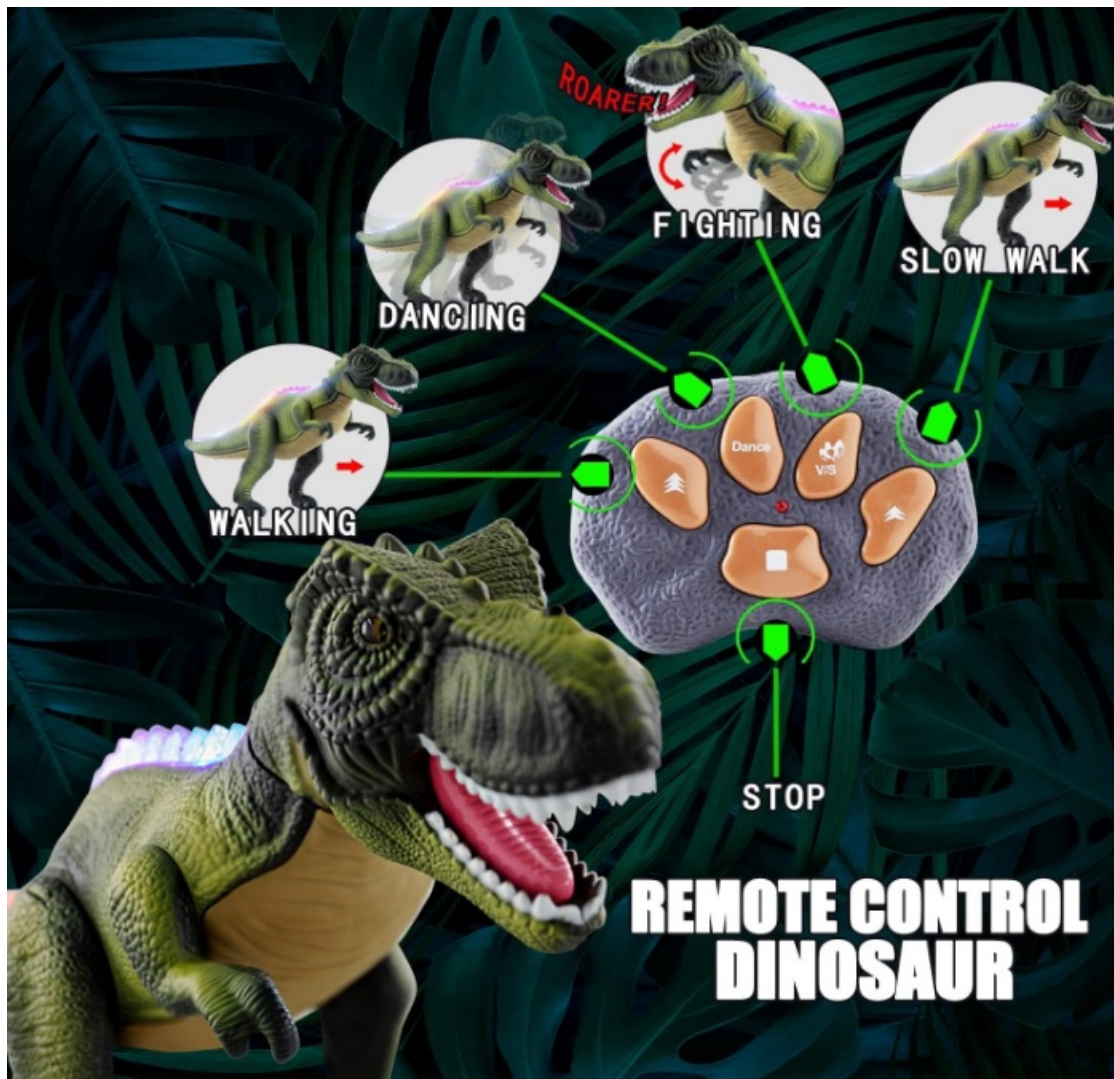

- **Theme:** Animal
- **Animal Theme:** Dinosaur
- **Material Type:** Vinyl, Plastic, Rubber
- **Manufacturer Minimum Age:** 36 months (3 years)
- **Required Assembly:** No
- **Package Type:** FFP (Frustration-Free Packaging)
- **Model Name:** F202
- **Brand Name:** BFUNTOYS
- **Toy Figure Type:** Action Figure
- **Subject Character:** T-rex
- **Play Activity Location:** Floor
- **Batteries Required:** Yes (battery-operated)
- **Special Features:** Remote Control, Light, Sound

Package Includes

- 1 x **BFUNTOYS F202 Large Light Up Robot Dino**
- 1 x Remote Control (if applicable)
- 1 x Instruction manual
- 1 x Set of spare parts (if available)
- 1 x Warranty card (if applicable)

Features

1. **LED Lights That Come On:** The BFUNTOYS F202 dinosaur has bright LED lights that come on during walks or roars. These flashing lights make it more exciting, especially in darker places, and they give it a modern and scary look.
2. The walking movement of this robot dinosaur lets it go forward, backward, and even turn. It walks like a real person because it has wheels on its feet and tail, which makes it easy to move on flat areas.
3. **Sound Effects:** The BFUNTOYS F202 toys come with realistic dinosaur sounds like roars and other action-based noises that make the play experience more fun. Kids can get more into dinosaur-themed adventures with these sound effects.
4. **Interactive Play:** The toy lets kids use their imaginations by letting them move the dinosaur around. The remote control lets kids make the dinosaur walk, roar, and light up, which lets them make up their own dinosaur stories.
5. **Durable Construction:** The BFUNTOYS F202 is made of high-quality, non-toxic plastic so it will last a long time and be safe for kids. It's built so that the toy can stand up to rough play and is also easy to clean.
6. **How to Use the Remote Control:** The dinosaur's remote control has many features that make it simple for kids to use. This feature keeps the child busy for hours and helps them learn and improve their motor skills.

7. **Value for Education:** The BFUNTOYS F202 is useful for education because it helps kids get better at hand-eye balance and understanding where things are in the room. The toy's dynamic features also help kids learn how to solve problems and be creative as they think of different situations the dinosaur could be in.

8. **Different Modes:**

- **Walking Modes:** The dinosaur can walk at two different speeds, fast and slow, giving you a lot of different ways to move.

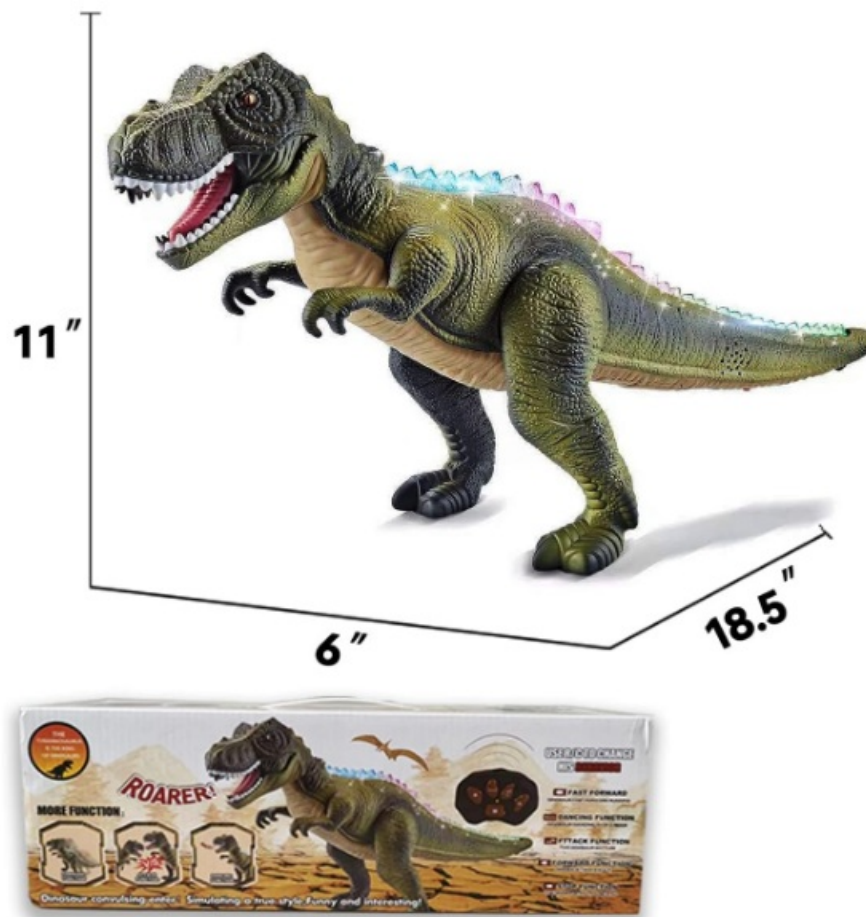

- **Dancing Mode:** The dinosaur plays music and shows off its dance moves when it's in dancing mode, which is fun for kids.

DANCE MODE/FIGHT MODE

SATISFY CHILDREN'S CURIOSITY AND
STIMULATE THEIR LEARNING ABILITY

- **Fighting Mode:** The dinosaur roars, shakes its head, and moves its arms like it's in a fight in fighting mode, which makes the game more exciting.
 - **Roaring and Body Movement:** The dinosaur makes a realistic roaring sound and moves its head and hands in ways that look like they would in real life. These parts make the toy come to life and give kids a more realistic experience.
9. **Attractive Lighting:** The BFUNTOYS F202 dinosaur has LED lights on its back that flash different colors (mostly red and blue), making it very interesting to look at, especially at night.
 10. **Detachable Parts:** Some versions of this toy let kids take off the dinosaur's head and legs. This lets them play with the toy hands-on and helps them be more creative as they put it back together.
 11. The BFUNTOYS F202 is a great gift for dinosaur fans. It's made for kids ages 3 to 8, especially those who are interested in dinosaurs. It's a great gift that encourages people to learn more about the ancient world while having fun.
 12. **Size:** The dinosaur is 11" long, 18.5" wide, and 6" high, which makes it a good size for kids to play with on the floor or in their imaginations.

13. **Battery Operated:** The BFUNTOYS F202 dinosaur runs on AA batteries, which makes it easy to use and makes sure that kids can play with it for a long time. The battery compartment is safely closed so that younger children can't easily get to it.
14. **Ideal for Parties and Gifts:** This robot dinosaur makes a wonderful present for birthdays, holidays, or any other special event. For kids who like toys with lots of action, this one is a big hit thanks to its light-up effects, loud sounds, and different ways to play.

Usage

- **Play Mode:** Turn the dinosaur on and use the remote control (if included) to move it forward, backward, or activate its roar and lights.
- **Interactive Play:** Children can use the lights and sounds to create dinosaur adventures, encouraging creativity and storytelling.
- **Educational Play:** Kids can learn about robotic movement and dinosaurs in a fun and hands-on way.
- **Display:** Can be placed as a decorative toy for a child's room when not in use.

Care and Maintenance

- **Battery Replacement:** Replace the batteries when the lights or sounds become weak. Use only the recommended battery type to avoid damage.
- **Cleaning:** Wipe the robot down with a soft cloth to remove dust. Avoid using harsh chemicals or water to clean.
- **Storage:** When not in use, store the robot in a dry, cool place to protect the internal components and avoid damage.
- **Inspection:** Periodically check for loose parts or broken sections, especially the joints or moving parts.

Troubleshooting

Robot not working:

- Check the batteries. Replace them if necessary, ensuring proper installation of the battery polarities.
- Verify that the power switch is turned on.

Lights not turning on:

- Make sure the batteries are installed correctly and have sufficient power.
- Check the LED connections for any loose or broken wires.

Movement is slow or jerky :

- Ensure the battery compartment is clean and there is no corrosion on the battery terminals.
- Inspect the wheels or legs to make sure nothing is blocking the movement.

Sound effects not working:

- Confirm that the volume is turned up (if applicable).
- Check if the sound mechanism has been damaged during play.

Pros and Cons

Pros	Cons
Engaging lights and sounds	Requires batteries that may need frequent replacement
Durable construction	Limited range of remote control
Encourages imaginative play	May not function well on uneven surfaces

Warranty

The BFUNTOYS F202 comes with a one-year warranty covering manufacturing defects. Keep your purchase receipt for warranty claims.
