TMSS5A2 TPMS Sensor

The device under test is manufactured by the grantee Huf Baolong Electronics Bretten GmbH and sold as an OEM product for motor vehicles. Therefore, we will not supply a separate user's manual.

Because the device is too small to place the compliance statement on it and because we do not issue any user's manual for it, we hereby confirm that we will inform the car manufacturer that the compliance statement must be included in the user's manual of the car.

INFORMATION TO BE INCLUDED IN THE END USER'S MANUAL

The following information must be included in the end user's manual to ensure continued FCC (USA) and ISED (Canada) regulatory compliance:

USA

FCC ID: OYGTMSS5A2

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

CAUTION TO USERS

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Canada

IC: 3702A-TMSS5A2

This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science, and Economic Development Canada's license-exempt RSS(s). Operation is subject to the following two conditions:

- 1. This device may not cause interference.
- 2. This device must accept any interference, including interference that may cause undesired operation of the device.

Alexander Haerter Product Data Manager

Huf Baolong Electronics Bretten GmbH

Gewerbestr. 40, 75015 Bretten, Germany a limited liability company, registered office Bretten, register court Mannheim, HR B 240742, managing director: Arno Fuchs, Axel Hummel
