Bigme B251 Monitor with E Ink Colour Display

Specifications

- **Display:** E Ink Colour Display B251
- **Resolution:** 1920 x 1080
- **Interfaces:** Type-C, HDMI, DP, USB-A, USB-B, DC(12V)
- **VESA Mount:** 100×100
- **Connectivity:** Miracast, AirPlay, DLNA, Chromecast

Assembly Installation

Assembly of Monitor Stand and Base

Step 1: Lay the screen protective foam of the all-in-one PC flat on the desktop, place the all-in-one PC screen down on the foam (as shown in Figure 1), first insert the VESA bracket at position ①.

Step 2: (as shown in Figure 2) Then, press down the VESA bracket at position ②.

(Figure 2)

Disassembly of Monitor Stand and Base

Lay the screen protective foam of the Monitor flat on the desktop, place the Monitor screen down on the foam (as shown in Figure 3), move the VESA bracket at position ③ to the right, then gently lift the bracket upwards.

(Figure 3)

Special Attention

1. The ink screen is fragile; please protect the screen well.
2. When moving the Monitor or adjusting its angle, do not directly press or touch the screen to avoid screen rupture.

How to connect to a computer

Connect via the video input Type-C interface (as shown in the figure below). Use a Type-C cable to connect to the full-function Type-C interface of the computer, while also connecting the Monitor power.

- **Note:** The computer needs to have a “full-function Type-C interface”. Non-full-function Type-C interfaces do not support video output.

HDMI High Definition Interface Connection Method (as shown in the figure below)

- Connect the HDMI cable to the computer, while also connecting the Monitor power.

DP High Definition Interface Connection Method (as shown in the figure below)

- Connect the DP cable to the computer, while also connecting the Monitor power.

Display Mode Adjustment

Monitor comes with four default refresh modes

- Web mode: Suitable for daily computer operations, web browsing, and everyday software use.
- Image mode: Suitable for picture browsing, photo viewing.
- Text Mode: Suitable for focused typing, text input, and text reading scenarios.
- Video Mode: Suitable for watching videos, online classes, and other dynamic playback.

Physical Key Functions

1. Refresh: Full refresh function
2. Back/INFO: When there is no menu, a pop-up displays information; when there is a menu, it returns to the menu
3. Menu/Confirm: When there is no menu, pop up the menu; when there is a menu, it is the confirm function
4. Right Flip/Front Light: When there is a menu, the menu can be turned to the right., When there is no menu, directly bring up the front light shortcut menu
5. Left Flip/Input Source: When there is a menu, the menu can be turned to the left.

When there is no menu, directly bring up the input source shortcut menu.

6. Power: power on/off.
