OUR MISSION

Customer Focus

Exceed customer expectations through a commitment to continuous improvement of our products and services.

Quality Products

Offer the marketplace a broad range of high quality, cost effective, and durable products of superior craftsmanship.

Organizational Excellence

Strive for excellence in all we do by fostering a participative, team based environment, which nurtures the active involvement of all members of the organization.

Marketplace Recognition

Earn the respect, admiration, and loyalty of our people, customers, and suppliers by treating them with dignity and respect, embracing diversity, and developing and maintaining long term partnerships.

Collaborative Workplace

Encourage all employees to work safely and efficiently, contribute innovative ideas, and personally benefit from the ongoing success of the company.

THE BLICKMAN DIFFERENCE

- Our bassinets are renowned for their reliable 304 stainless steel, welded construction, durability and optimal performance which has made them the preferred choice among maternity nurses for decades.
- Our inverted “U-frame” bassinet design provides a stable and comfortable resting place for newborns. Our standard 4” ball bearing swivel casters, with two brakes, ensure safe transport.
- We offer various storage choices such as shelves, drawers and cabinets. Cabinets can be closed for more

security or open for easier access.

- Our clear acrylic infant basket includes a cardholder for baby identification and rests in specially formed support rods so it can be set in the flat or Trendelenburg position.

Key Product Features

Bassinets

Bassinet Kits

We offer bassinet kits so you can get everything you need in one order. Our bassinet kits include:

- The stainless steel bassinet frame of your choosing
- The acrylic basket
- The foam mattress pad
