Important Safety Information

- DON'T use the headphones at a high volume for any extended period to prevent hearing damage.
- DON'T use the headphones while driving or in any environment requiring your full attention. If necessary, use Bluedio communication headphones.
- Keep the headphones, accessories and packaging parts out of reach of children to prevent accidents and choking hazards.
- STOP using the headphones immediately if you feel sick while using the headphones.
- DON'T expose the headphones to either extremely high or low temperatures (ideal: 10°C to 30°C).
- The headphones have ANC (Active Noise Cancellation) function; please use it in safe environment, such as public transportation and noisy office, instead of the road to avoid accidents.
- Removal of the chargeable battery in the headphones shall be conducted only by a qualified professional. DON'T try to replace the battery on your own.
- If the headphones have incompatible issues with your laptop or desktop, please use the included audio cable to connect; Or buy a USB4.0 and above Bluetooth adapter.
