Welcome to visit our website: www.bluediocom; Or to email as at aftersales@gdliweicom; Or to call us at 020-86062626-835.
Read this user manual carefully and completely before using the headset.

- DON'T use the headphones at a high volume for any extended period to prevent hearing damage.
- DON'T use the headphones while driving or in any environment requiring your full attention.
- Keep the headphones, accessories and packaging parts out of reach of children to prevent accidents and choking hazards.
- Always keep the headphones dry and DON'T use the headphones near water.
- STOP using the headphones immediately if you feel sick while using the headphones.
- DON'T expose the headphones to either extremely high or low temperatures(ideal: 10°C to 35°C).
- Removal of the chargeable battery in the headphones shall be conducted only by a qualified professional. DON'T try to replace the battery on your own.
- If the headphones have incompatible issues with your laptop or desktop, please use the included audio cable to connect; or buy a CSR4.0 and above Bluetooth adapter.
