BOOST User Guide

Contents

BOOST User Guide

1. Take everything out of the box

We'll tell you when to plug things in – you'll be setting up the BOOST fi rst.

2. Get the Sonos app

Open the app and we'll walk you through setup.

Already have Sonos?
Open the app and choose **More > Settings > Add a BRIDGE or BOOST.**

Cables

We'll tell you when to plug them in.

Power

Ethernet

Connecting a BOOST to your router with an Ethernet cable creates a separate, high-performance wireless network just for your Sonos speakers.

Need help?

We're here for you.
