Contents

QUICK START GUIDE

Turn on the device:
Hold down the power button for 2-3 seconds.

Charging: When the battery is low or the device can not be turned on, please connect your BOOX with a PC or an Adaptor to charge it. When the device is charging, the indicator shows red. When the battery is fully charged, the indicator turns blue.

Firmware update: Download the update packages to the root directory of the local storage, or get OTA updates on the device. To force shutdown, please hold the power button for about 8 seconds. You can read the full version of the User Manual on the official BOOX website: **https://www.boox.com/downloads/**
