Product Usage Instructions

Overview:

The Arizona Leather Working Boots are designed for various work environments, providing comfort and safety.

Preparation:

Ensure the boots are clean and free from any debris before use.

Putting On the Boots:

1. Slide your foot gently into the boot.
2. Adjust the laces or straps for a snug fit.

Care and Maintenance:

Regularly clean the boots with a damp cloth and mild soap. Avoid harsh chemicals that may damage the leather.

BASIC INSTRUCTIONS FOR ARIZONA LEATHER WORKING BOOTS TYPE: O1 SRC

- **Leather working boots:** Made of SPLIT leather. Shoe size: 40 – 46. Construction and material of outsole: PU / PU sole, non-slip, antistatic and anti-vibration. Extras: without toe protection.
- **CE** – The product has been tested for conformity and fulfils the standards in force in the E.U.
- **EN ISO 20347:2012** – The product fulfils all requirements of the EN ISO 20347:2012 standard.
- **O1 + SRC** – Footwear classification according to the PN-EN ISO 20347 standard, shoes produced in the category O1 (closed cleat+antistatic+energy absorption in seat region+Slip Resistant).
- **STORAGE:** Footwear should be stored in a cardboard packing, in closed rooms, protected against moisture, ventilated, dry and away from chemical agents and heaters. Storage room temperature should range from 5 to 24°C.

- **STORAGE AND TRANSPORTATION:** During transport and storage, the product should not be crushed with heavier products or materials, because it may be damaged.

FAQs

Q: Are these boots suitable for heavy-duty work?

A: The Arizona Leather Working Boots are suitable for light to medium-duty work. For heavy-duty tasks, additional toe protection may be required.

Q: How do I choose the correct size?

A: Refer to the size range of 40 – 46 for these boots. If you are between sizes, it is recommended to go for the larger size for a comfortable fit.

Q: Can I resole these boots?

A: These boots have a PU / PU sole construction, which may not be easily resoled. It is recommended to check with a professional cobbler for resoling options.
