Important Safety Instructions

Refer to the installation guide for more information about your Bose Videobar Display Mounting Kit (including accessories and replacement parts) at PRO.BOSE.COM or contact Bose customer service.

Keep these instructions.

Heed all warnings.

Only use attachments/accessories specified by the manufacturer.

When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.

WARNINGS/CAUTIONS

Install this bracket only if the display will be fixed in place on a wall or to a cart. Do not install this bracket on a display that will not be fixed in place, such as on a tabletop stand.

Ensure the wall-mount bracket or cart (to which the display will be installed) is rated for the additional weight of this display mounting kit and the Bose Videobar.

Contains small parts which may be a choking hazard. Not suitable for children under age 3.

All Bose products must be installed in accordance with local, state, federal and industry regulations.

It is the installer's responsibility to ensure installation of the loudspeakers and mounting system is performed in accordance with all applicable codes, including local building codes and regulations.

Consult the local authority having jurisdiction before installing this product.

When positioning the product, make sure it is not blocking any ventilation openings on your display.

Refer to the owner's guide for your display and install it in accordance with the manufacturer's instructions.

Do NOT make unauthorized alterations to this product.

Do not place or install the bracket or product near any heat sources, such as fireplaces, radiators, heat registers or other apparatus (including amplifiers) that produce heat.

This product is not intended for installation or use in indoor water facility areas (including, without limitation, indoor pools, indoor water parks, hot tub rooms, saunas, steam rooms and indoor skating rinks).

Do not mount the product in locations where condensation may occur.
