Minus (Math map)

Start

Plus (Math map)
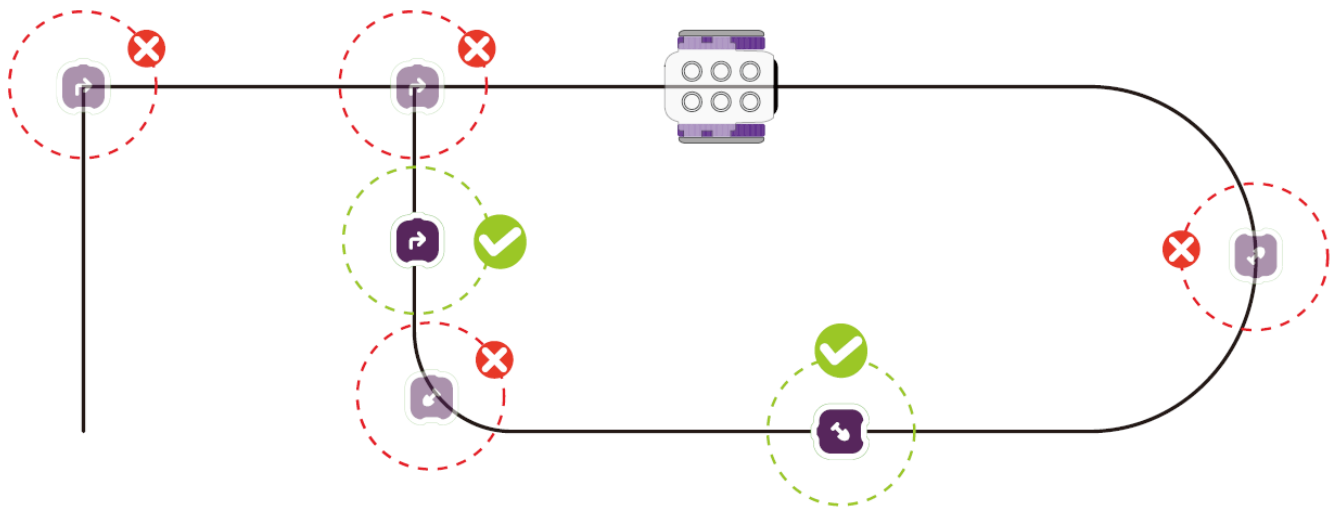

End

Equal (Math map)

**Parking:** Scan this command to stop the device and park your Mini.

Any commands placed between these two commands will be recorded by the device and executed when "] " is recognized.
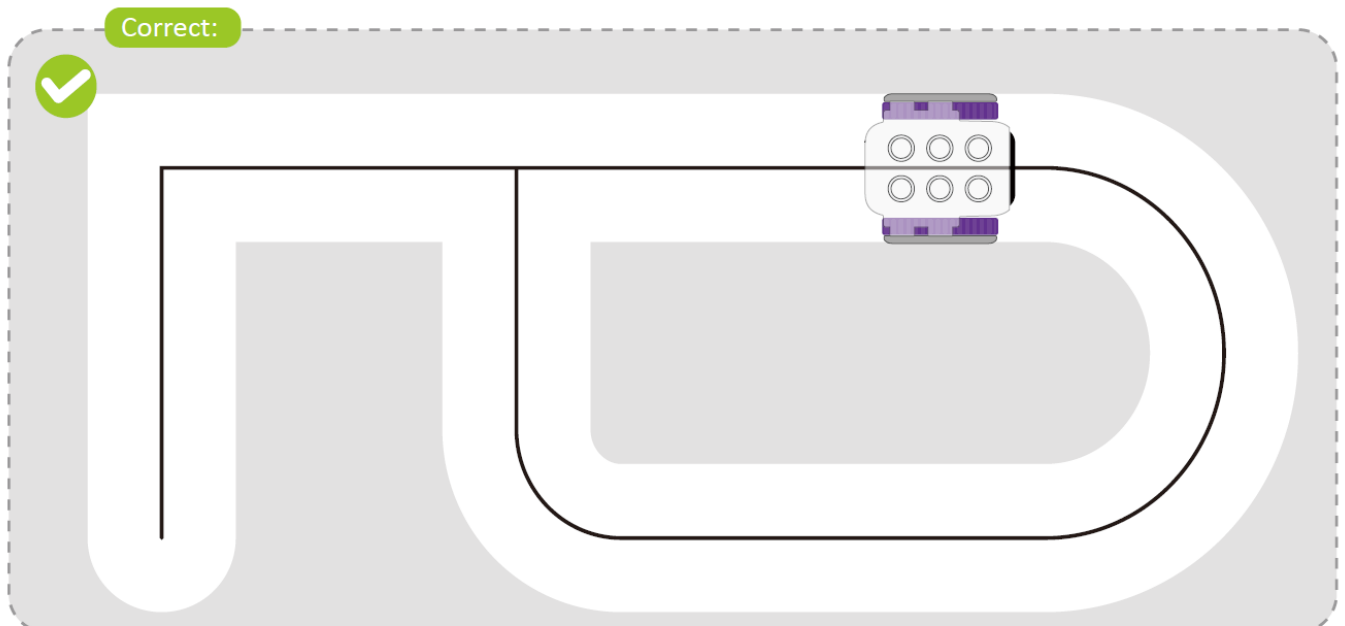

How to place the command cards

❌ Do not place the card at the turning point.

❌ Do not place the card on the curves.

✅ Please center the card on a straight line.

How to draw your own map

1.5 in

1.5 in
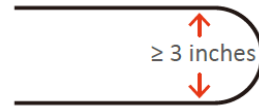

Do not draw anything within 1.5 inches from the line.

The drawing line should be between 0.05 and 0.1 inches thick, or it won't be scanned.

Correct:
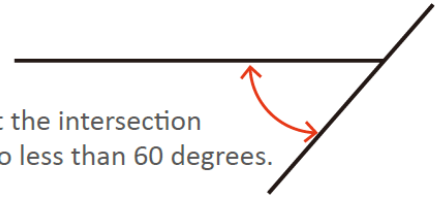

✅

❌ Keep the line continuous.

❌ Keep the line even.

❌ Keep the line smooth.

❗ ≥ 3 inches

The diameter at the curve should be no less than 3 inches.

❗ The angle at the intersection should be no less than 60 degrees.
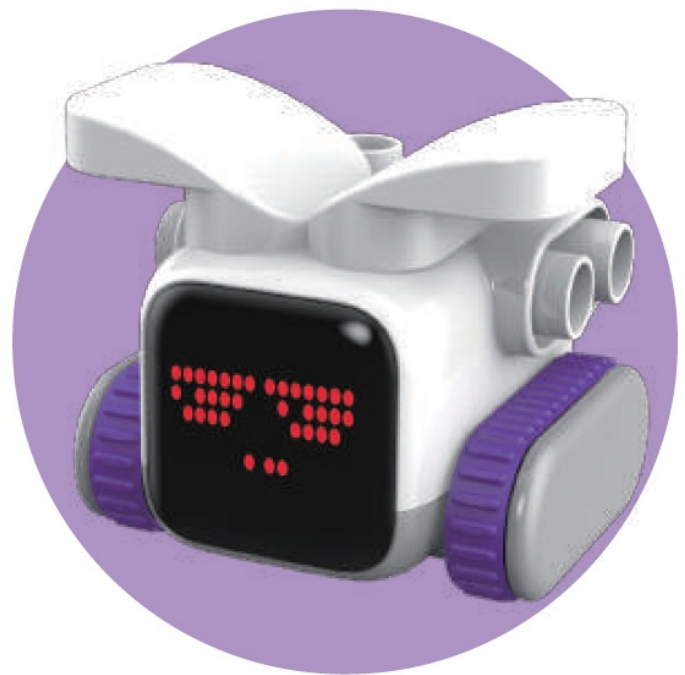

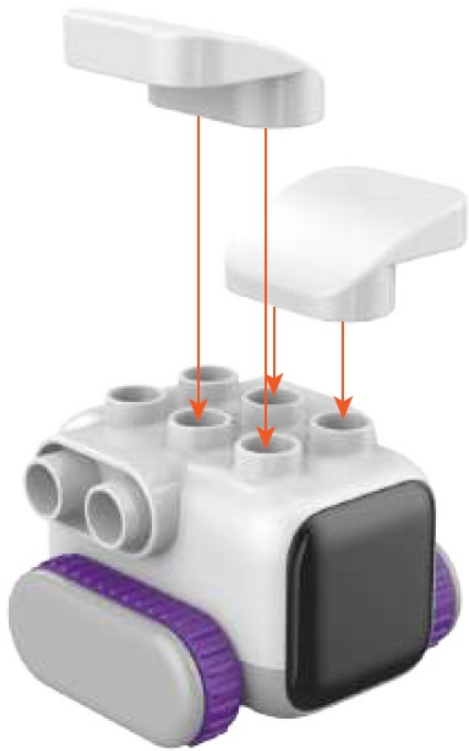

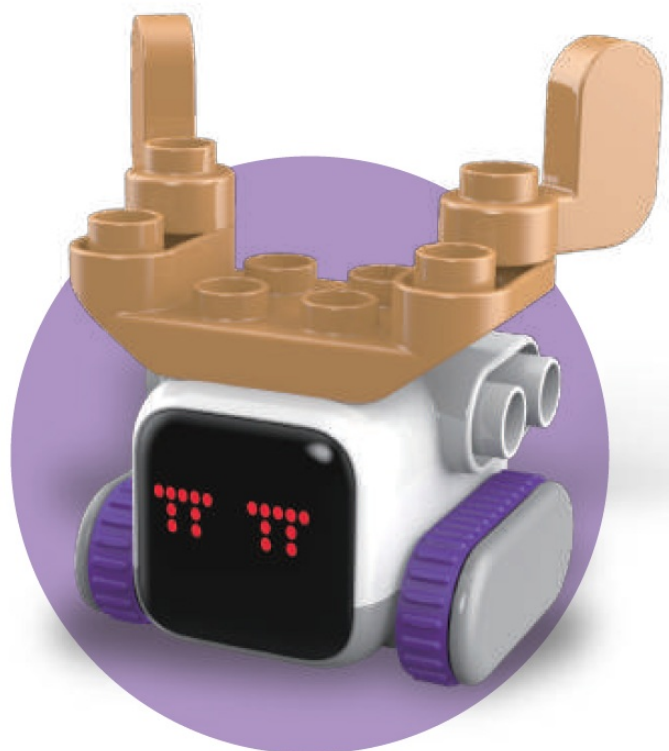

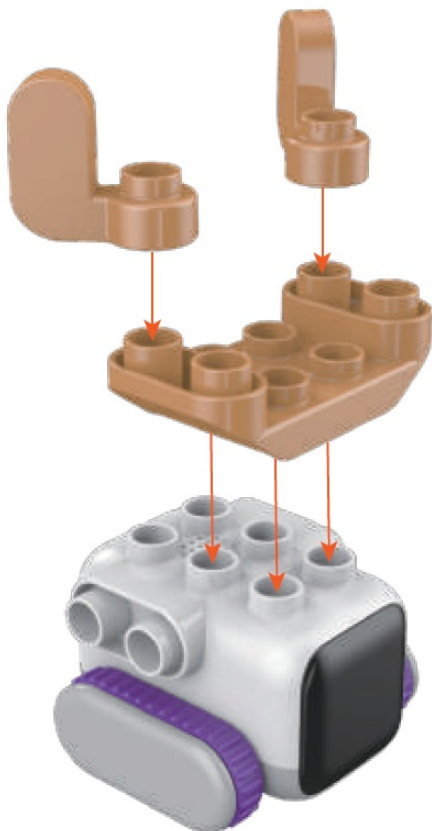

🚫 # Note:
To avoid deformation or breakage, do not pull the track hard. It may affect Botzees Mini's performance.
