About the Terp Pen Spectrum

The Boundless Terp Pen Spectrum is an electronic aromatherapy device specifically designed for consuming herbal concentrates.

What's Included

Terp Pen Spectrum, Ceramic Coil, Quartz Coil Multi-Tool, Cleaner Tool, USB-C Cable

Getting Started

How to attach, remove, and replace the coil

- To install, screw the included coil clockwise into the body.
- To uninstall and replace, unscrew the coil counterclockwise from the unit.

Charging

With the included USB-C charging cable, connect the Terp Pen to a charging block. The red battery LED indicator will remain solid while charging and will turn green when fully charged.

Cleaning the Coil

To clean the coil, remove the outer shell from the unit. Inhale to activate the coil and “burn off” excess material.

How to Maintain Terp Pen Spectrum

The Spectrum can be broken down for easy cleaning (see product breakdown). Clean with isopropyl alcohol or alcohol prep pads. Do not get any liquid in the USB port or on the coil connection located on the battery module.

Adjusting Voltage

Tap five times near the USB port to cycle through the three voltage modes. 3.3v (Blue), 3.7v (Green), & 4.0v (Red)

How It's Used

1. Remove the magnetic cap to expose the coil
2. Inhale on the mouthpiece to activate the coil
3. While inhaling apply concentrate to heated coil and continue to inhale until the dose is consumed.
