bright MLS MLS-Touch App

Product Information

MLS-Touch is a mobile application that provides real estate professionals with access to the Bright MLS database. It allows users to search for property listings, view property details, and save searches and listings for future reference. The app is available for download on both iOS and Android devices.

Product Usage Instructions

Downloading MLS-Touch

To download MLS-Touch, follow these steps:

1. Open the App Store (iOS) or Google Play Store (Android) on your mobile device.
2. Search for “MLS-Touch” in the search bar.
3. Select the MLS-Touch app from the search results.
4. Click on the “Download” or “Install” button.

Logging into MLS-Touch

To log into MLS-Touch, follow these steps:

1. Open the MLS-Touch app on your mobile device.
2. Select the “Bright Area” option.
3. Select “Bright MLS”.
4. Enter your Bright MLS login credentials.
5. Click on the “Login” button.

Setting up Your Account

If you are a new user, you will need to set up your account before you can log in. Follow these steps:

1. Open the MLS-Touch app on your mobile device.
2. Select the “Bright Area” option.
3. Select “Bright MLS”.
4. Click on the “Setup Account” button.
5. Follow the on-screen instructions to create your account.

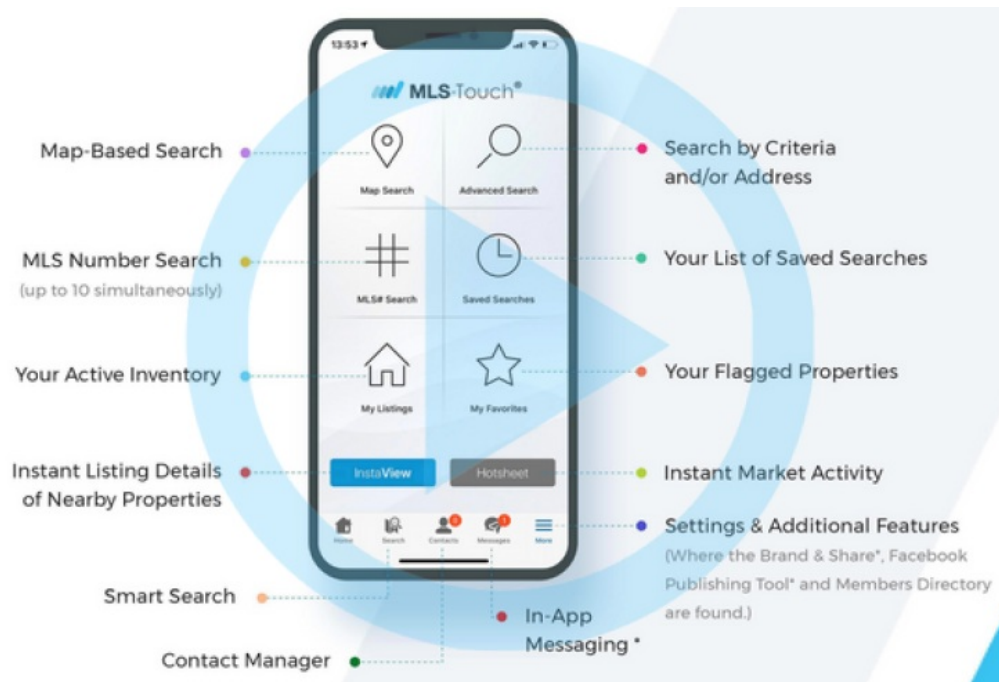

MLS-Touch App

To search for property listings using MLS-Touch, follow these steps:

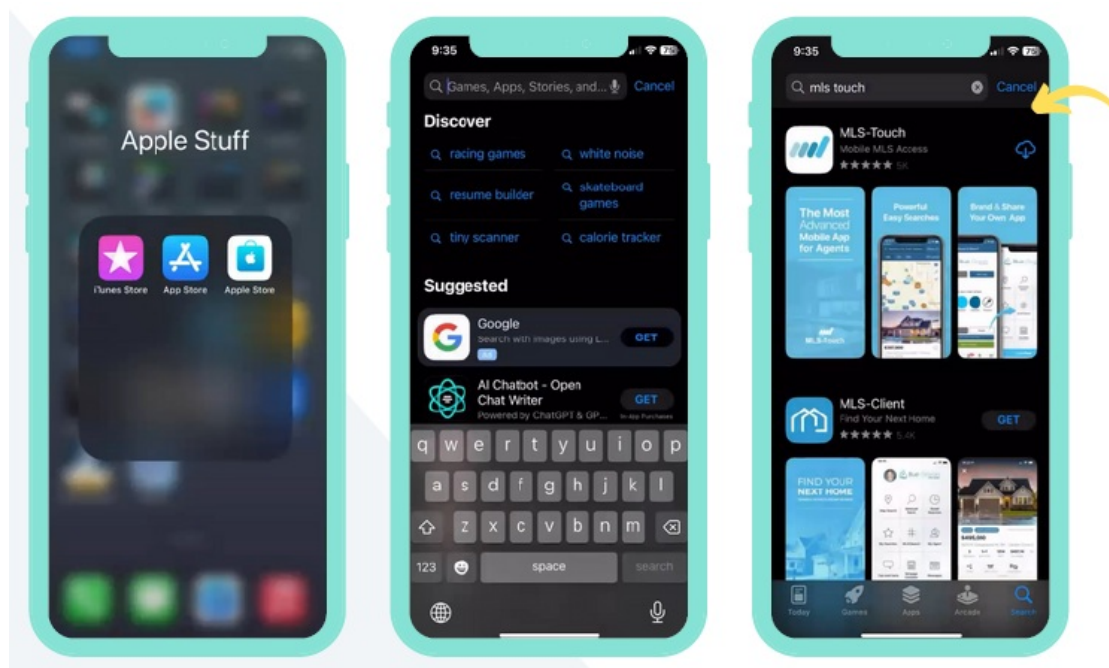

1. Log into MLS-Touch using your Bright MLS login credentials.
2. Click on the “Search” option.
3. Enter your search criteria, such as location, price range, and property type.
4. Click on the “Search” button.
5. View the search results and click on a listing to view more details.

Learning More

If you have any questions or need further assistance with using MLS-Touch, please refer to the “Where to Learn More” section in the user manual or contact our customer support team.
