Brightech FBA_LTSPNSL Litespan Titanium Silver LED Floor Reading Lamp

Launched in 2023

Price: \$76.55

Introduction

The Brightech FBA_LTSPNSL Litespan Titanium Silver LED Floor Reading Lamp is a state-of-the-art light that will make reading and making more enjoyable. This floor lamp's sleek and modern design makes it easy to match with any home or office style. The light can be easily placed to meet your needs thanks to the flexible gooseneck. This is true whether you're reading a book or working carefully on a project. With its energy-efficient LED technology, this lamp gives off bright, flicker-free light while using very little power. This makes it good for the environment and saves you money. It has built-in touch-sensitive controls that make it easy to change the brightness, making sure that the right lighting is always available for any job. The sturdy, weighted base keeps it stable and stops it from falling over by chance. It can be used in living rooms, bedrooms, offices, and reading corners. The Litespan floor lamp has the best performance and style, whether you need high contrast light for close work or a natural sun look for beauty services.

- **Power Source:** Corded Electric
- **Wattage:** 12 Watts
- **Voltage:** 110-220 Volts
- **Cord Length:** Approximately 6 feet
- **Adjustable Height:** 42-53 inches
- **Weight:** Approximately 10 pounds
- **Lumens:** 850-950 lumens
- **Color Temperature:** 6000 Kelvin
- **Light Source Type:** LED
- **Finish Type:** Painted
- **Lamp Type:** Floor Lamp
- **Room Type:** Office, Living Room
- **Shade Color:** Orange, Silver
- **Shade Material:** Plastic
- **Base Material:** Metal
- **Switch Type:** Touch
- **Number of Light Sources:** 1
- **Connectivity Technology:** USB (not specified in the provided features)
- **Included Components:** Bulb
- **Indoor/Outdoor Usage:** Indoor
- **Recommended Uses:** Reading
- **Installation Type:** Tabletop, Freestanding
- **Efficiency:** High
- **Brightness:** 950 Lumen
- **Waterproof:** False
- **Water Resistance Level:** Not Water Resistant
- **Has Weighted Base:** No
- **Has Smart Lighting:** No
- **Has Voice Control:** No
- **Has Touch Sensor:** No
- **Clamp Base:** No
- **Task Lighting Capability:** No
- **Integrated Dimmer:** No
- **Shade Removable:** No
- **Lamp Nightlight Control:** No
- **Flexible Gooseneck:** No
- **Lamp Battery Backup:** No
- **Has Accent Lighting:** No
- **Lamp Uses Smart Bulb:** No
- **Manufacturer:** Brightech
- **Part Number:** FBA_LTSPNSL
- **Item Weight:** 0.01 ounces

- **Is Discontinued By Manufacturer:** No
- **Special Features:** Energy Efficient

Package Includes

- 1 x Brightech FBA_LTSPNSL Litespan Titanium Silver LED Floor Reading Lamp
- 1 x User Manual

Dimension

Features

1. **Adjustable Gooseneck:** Easily position the light to your desired angle for reading, crafting, or other tasks.
2. **Energy-Efficient LED:** Long-lasting LED bulbs provide bright, flicker-free illumination while consuming minimal energy.
3. **Sleek Design:** Modern titanium silver finish complements any home or office decor.
4. **Integrated Controls:** Convenient touch-sensitive controls allow for easy brightness adjustment.
5. **Sturdy Base:** The weighted base provides stability and prevents tipping over.
6. **Versatile Use:** Ideal for reading corners, living rooms, bedrooms, offices, and more.

7. **High Brightness & High Contrast Light:** Provides 850-950 lumens of bright light with high contrast, perfect for reading books, crafting, sewing, or puzzles.
8. **Natural Daylight Esthetician's Lamp:** Suitable for eyelash extensions, makeup application, and other beauty spa and salon services with its 6000K color temperature.
9. **Dimmable LED Light Source:** Easily adjust the brightness level according to your preference.
10. **Modern Office Floor Lamp:** Ideal for desk or armchair use with adjustable gooseneck for focused lighting.
11. **Sturdy and Safe:** A weighted base ensures stability, while cool-to-touch LEDs prevent accidental burns and overheating.
12. **Easy Operation:** Simple tap the power button for on/off control, with a memory function for brightness settings.
13. **Built-in LED Bulb:** Energy-efficient LED bulb with a lifespan of 15-20 years and 12 watts power consumption.
14. **Product Specifications:** Portable and adjustable height (42 to 53 inches) with a base measuring 9 x 10 inches and a head of 10 x 7 inches.
15. **Energy-Saving LED Floor Lamp:** Saves up to 80% of electricity compared to traditional incandescent lamps.
16. **Modern Living Room Decor:** Stylish design with adjustable gooseneck for personalized lighting.
17. **Sturdy and Safe for Kids' Rooms:** A weighted base prevents tipping, while cool LEDs ensure safety.
18. **Warranty:** Industry-leading 3-year warranty covering defects and malfunctions.

Usage

1. **Assembly:** Follow the included user manual for easy assembly instructions.
2. **Placement:** Position the lamp in your desired location, ensuring it's plugged into a nearby power outlet.
3. **Operation:** Use the touch-sensitive controls to adjust brightness levels according to your preference.
4. **Adjustment:** Bend the gooseneck to direct the light precisely where you need it for optimal illumination.

Care and Maintenance

- Regularly dust the lamp with a soft, dry cloth to remove any buildup or debris.
- Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- If necessary, use a slightly damp cloth to gently wipe down the lamp and base.
- Check the cord periodically for any signs of wear or damage, and replace if necessary.
- To prevent overheating, ensure proper ventilation around the lamp and avoid covering it with fabrics or other materials.

Troubleshooting

Issue	Possible Cause	Solution
Lamp does not turn on	1. Lamp not plugged in properly.	1. Ensure the lamp is securely plugged into a functioning power outlet.
	2. Faulty power outlet.	2. Test the outlet with another device or plug the lamp into a different outlet.
	3. Burnt-out LED bulb.	3. Contact customer support for a replacement bulb or consider purchasing a new lamp if the LED bulb is not replaceable.
	4. Electrical issue within the lamp.	4. Contact customer support for assistance or consider purchasing a new lamp.
Lamp does not respond to touch controls	1. Control panel not functioning properly.	1. Try resetting the lamp by unplugging it for a few minutes and then plugging it back in.
	2. Dirty or damaged touch sensor.	2. Clean the touch sensor gently with a soft, dry cloth. If damage is evident, contact customer support for further assistance.
Lamp flickers or dims unexpectedly	1. Loose connection or damaged cord.	1. Check the power cord for any signs of damage or looseness. Replace the cord if necessary.
	2. Overheating due to obstructed ventilation.	2. Ensure the lamp has proper ventilation and is not covered by any materials. Remove any obstructions and allow the lamp to cool down.
Lamp emits strange odor or heat	1. Overheating due to prolonged use.	1. Turn off the lamp and allow it to cool down. Check for any visible signs of damage or burning.
	2. Electrical issue within the lamp.	2. Discontinue use immediately and contact customer support for assistance.

Pros and Cons

Pros:

- Adjustable height and head for customized lighting
- Dimmable LED bulb for optimal brightness
- Modern and stylish design
- Energy-efficient and long-lasting bulb
- Stable and durable base

Cons:

- Corded electric power source may limit placement options
- Some users may find the lamp heavy to move around

Customer Reviews

Customers have praised the Brightech FBA_LTSPNSL Litespan Titanium Silver LED Floor Reading Lamp for its stylish design, customizable lighting, and energy-efficient bulb. Many have noted that the lamp is sturdy and well-built, making it a great addition to any room.
