### Replacing Drum Unit

RESET THE DRUM UNIT COUNTER by using the control panel.

## RESET THE DRUM UNIT COUNT

Make sure the machine is turned on.

- **LED Models**

- (1) Make sure that the front cover is open.
- (2) Press and hold Go for about four seconds until all of the LEDs light up. When all four LEDs are lit, release Go.
- (3) Close the front cover.
- (4) Make sure the Drum LED is now off.

- **1-line LCD Models**

- (1) Close the front cover.
- (2) Press OK and A at the same time.
- (3) Press OK to select Drum.
- (4) Press V to reset the drum counter.

- **2-line LCD Models**

- (1) Close the front cover.
- (2) Press OK and A at the same time.
- (3) Press OK to select Drum.
- (4) Press A to reset the drum counter.

- **Touchscreen Models**
