BUICK

BUICK 2024 Encore GX

Product Information

The 2024 Encore GX is a compact SUV manufactured by Buick. It is the first Buick in North America to feature a revamped interior and a new Virtual Cockpit System. The vehicle comes with bespoke Pearl Nickel 19-inch wheels on Avenir. It is available in two variants – 1.2L and 1.3L. The 1.2L variant has an estimated fuel economy of 29 MPG in the city and 30 MPG on the highway. The 1.3L variant has an estimated fuel economy of 29 MPG (FWD) / 31 MPG (FWD) / 26 MPG (AWD) / 28 MPG (AWD) in the city and highway. The vehicle has a maximum cargo room of 50.2 cubic feet with the rear seat folded.

Product Usage Instructions

- To use the Virtual Cockpit System, turn on the ignition and press the “MENU” button on the steering wheel. Use the arrow keys to navigate through the menu options and press the “OK” button to select an option. The Virtual Cockpit System displays important information such as speed, navigation, and media in a high-resolution digital display.
- The Encore GX comes with select driver assistance technologies that provide added safety and convenience while driving. These technologies include Automatic Emergency Braking, Lane Keep Assist with Lane Departure Warning, and Rear Cross Traffic Alert.
- The vehicle is equipped with a 9-speed automatic transmission (1.3L AWD) that provides smooth and efficient shifting. To drive the vehicle, press the brake pedal and shift the gear lever to “D” for Drive or “R” for Reverse. Use the accelerator pedal to control the speed of the vehicle.
- When loading cargo, fold down the rear seat to access the maximum cargo room of 50.2 cubic feet. To fold down the rear seat, locate the release lever on the side of the seat and pull it forward. Make sure that all cargo is securely fastened and does not exceed the weight limit of the vehicle.

NEW FOR 2024

The 2024 Encore GX is the first Buick in North America to sport our revamped interior and new Virtual Cockpit System.” — Bob Boniface, director, Global Buick Design

- Buick’s most popular model in North America is upgraded with the brand’s new face and tri-shield logo
- First-ever Encore GX Avenir elevates the small SUV segment — and there’s a sportier look and feel to the available Sport Touring package

- Revamped interior with new Virtual Cockpit System, featuring 19 diagonal inches of high-definition screens under one sheet of glass — including an 11-inch-diagonal infotainment¹ screen and an 8-inch-diagonal driver information center
- Fresh front-end styling inspired by Wildcat EV concept, with a new grille design and winged LED headlamps
- LED taillamps on Avenir and Sport Touring Package
- New 18- and 19-inch wheel designs, including bespoke Pearl Nickel 19-inch wheels on Avenir

ENCORE GX AT A GLANCE

- Offered in Preferred, Sport Touring, and new Avenir trims, with seating for up to five and available AWD
- Avenir features exclusive exterior cues, including 19-inch wheels, and exclusive interior content including leather seats, a heated steering wheel, and more — and signature Whisper Beige/Jet Black interior color
- Sport Touring available with the new Black Roof Package
- Flat-folding front passenger seat with 40/60-split folding second row, for storage of items up to 8 feet long (diagonally)
- Available hands-free power liftgate

NEW! VIRTUAL COCKPIT SYSTEM

- Buick's new Virtual Cockpit System puts intuitive technology at the driver's fingertips, pairing an 11-inch-diagonal infotainment¹ touchscreen and an 8-inch-diagonal driver information center under one sheet of glass, with the screens angled toward the driver
- Built-in Wi-Fi® hotspot with available data²
- Wireless Apple CarPlay³ and Android Auto⁴ compatibility
- Available wireless phone charging⁵

SELECT DRIVER ASSISTANCE TECHNOLOGIES

- Standard Buick Driver Confidence package⁶ includes Lane Keep Assist with Lane Departure Warning, Automatic Emergency Braking, Front Pedestrian Braking, Forward Collision Alert, Following Distance Indicator, and IntelliBeam auto high beams
- Available driver assistance technologies include Rear Park Assist⁶, Rear Cross Traffic Alert⁶, Adaptive Cruise Control with Enhanced Emergency Braking⁶, Rear Camera Mirror⁶ and HD Surround Vision⁶

- **1.3L Turbo I-3 (155 HP)** – avail.
- **CVT (1.2L & 1.3L FWD) or 9-spd. automatic (1.3L AWD)**

GM-EST. MPG			
		CITY	HWY
	1.2L	29	30
	1.3L	29 FWD 26 AWD	31 FWD 28 AWD

- **MAX CARGO ROOM⁷** 50.2 cu. ft. (rear seat folded)

1. Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices.
2. Service varies with conditions and location. Requires active service plan and paid AT&T® data plan. See onstar.com for details and limitations. The vehicle must be on or in an accessory position for Wi-Fi® to function.
3. The vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay, Siri, iPhone, and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries.
4. The vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible with g.co/android auto/requirements. Android, Google Play, and Android Auto are trademarks of Google LLC.
5. The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging

- technology and others require a special adapter/back cover. To check for phone or other device compatibility, click here or consult your carrier.
6. Safety or driver-assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for more important feature limitations and information.
7. Cargo and load capacity are limited by weight and distribution.
