FAQs

Q: Where can I find detailed instructions on using the infotainment system?

A: Refer to the user manual provided with the vehicle for step-by-step guidance on operating the infotainment features.

Q: How can I maximize fuel efficiency in my XT4?

A: To optimize fuel efficiency, ensure regular maintenance, drive smoothly, and avoid excessive idling. Additionally, keep track of your tire pressure and plan efficient routes.

Q: What driver assistance technologies are available in the XT4?

A: The XT4 offers a range of driver assistance features such as lane departure warning, adaptive cruise control, and automatic emergency braking. Explore these features in the user manual for detailed information.

Safety or driver-assistance features

¹Safety or driver-assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings, and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information. ²Functionality varies by model. Full functionality requires compatible Bluetooth® and smartphone, and USB connectivity for some devices. ³Connected Navigation and real-time points of interest are only available on properly equipped vehicles. Requires paid plan or trial. Map coverage is available in the United States, Puerto Rico, Canada, and the Middle East. See onstararabia.com for details and limitations. ⁴Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system, and location. Select the service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Google Play, and Google Maps are trademarks of Google LLC. ⁵Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay, Siri, iPhone, and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. ⁶Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android, Google Play, and Android Auto are trademarks of Google LLC. ⁷The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adapter/back cover. To check for phone or other device compatibility, check your owner’s manual. ⁸Replaces Cadillac Smart System’s Front Pedestrian Braking. ⁹Replaces Cadillac Smart System’s Automatic Emergency Braking. ¹⁰Cargo and load capacity limited by weight and distribution
