- **Manufacturer:** Cambridge University Press
- **Support:** Visit **cup.org/courseware-instructors** or contact **coursewaresupport@cambridge.org**

Product Usage Instructions

Accessing the Course Material:

- To access the course material, visit the provided website **cup.org/courseware-instructors**.
- Log in with your credentials to view and manage the instructor guide.

Navigating the Instructor Guide:

- The instructor guide is organized into sections for easy navigation. Use the menu options to explore different course materials, assessments, and resources available.

Customizing Course Content:

- Customize the course content according to your teaching preferences. Add or remove materials, create assignments, and tailor the course to suit your instructional needs.

Communicating with Support:

- If you encounter any issues or require assistance, contact the support team at **coursewaresupport@cambridge.org**. They will provide guidance and help resolve any technical difficulties.
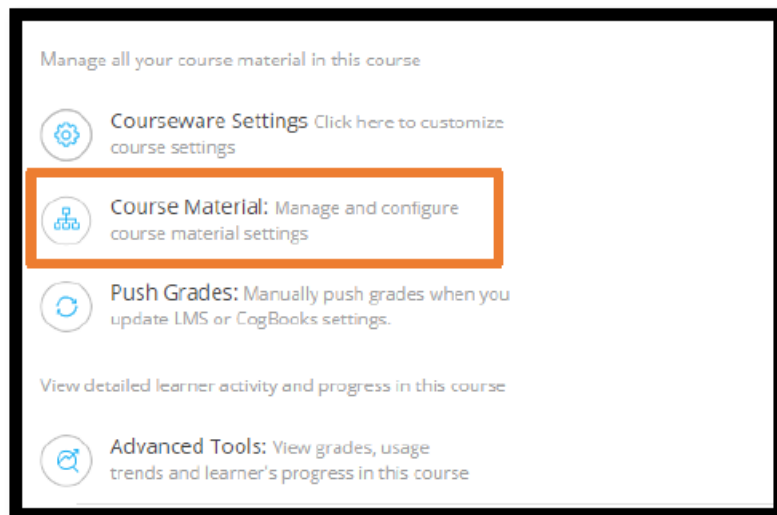

FAQ

Frequently Asked Questions

- **Q:** How do I reset my password for accessing the course material?
    - **A:** To reset your password, visit the login page and click on the 'Forgot Password' link. Follow the instructions to reset your password securely.
- **Q:** Can I import external content into the course material?
    - **A:** Yes, you can import external content such as documents, videos, and links to supplement the existing course material. Check the customization options for more details on importing content.
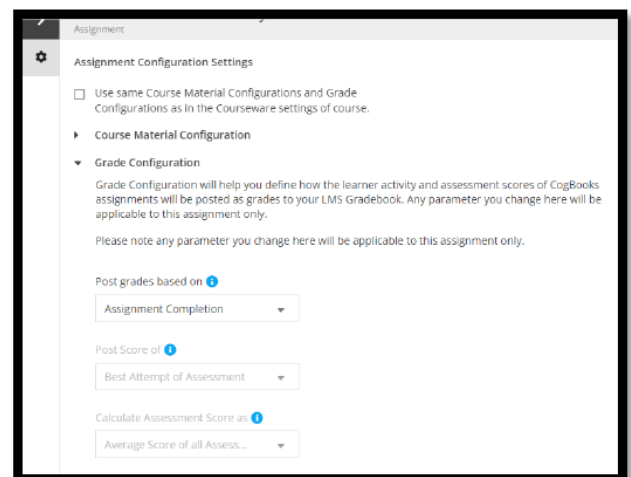

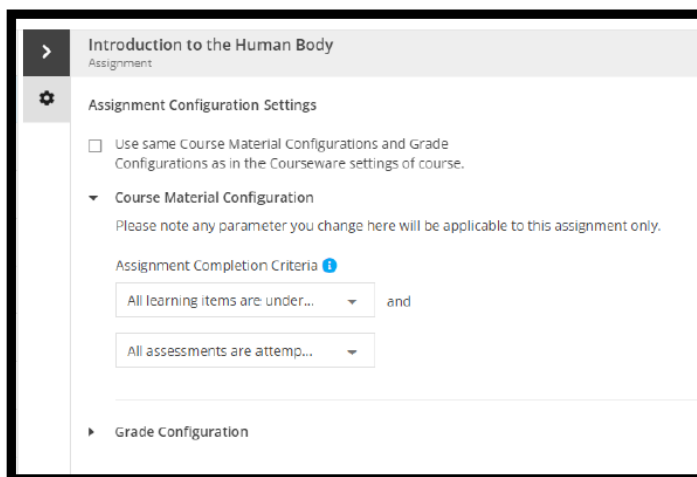

This guide will cover how to use the Course Material tool within the Courseware Tools to manage and configure the course material settings.

Starting from the Courseware Tools

Step 1: Click on the Course Material link.

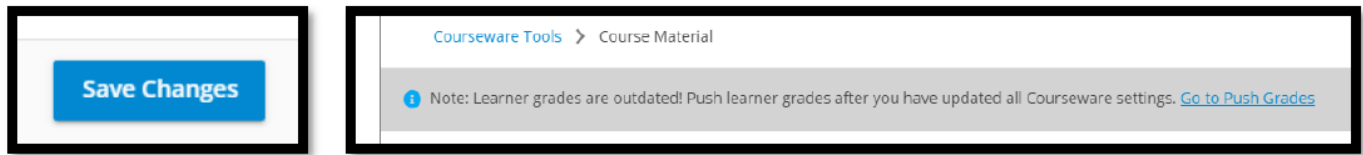

Step 2: Pick the assignment you wish to edit and make changes.

- You can change the completion criteria (viewed vs understood) and grading criteria (completion or assessment-based) for that specific assignment. The rest of the assignments will stay as originally configured.
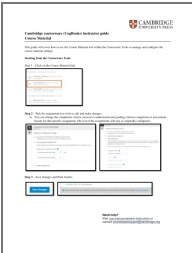

Step 3: Save changes and Push Grades.
