Camiysn B0BWH6DVT8 Compact 80% Mechanical Keyboard

Dear users:
Thank you for buying and using our products!

In order to protect your rights and interests, this product is implemented after-sales service on the basis of laws

and regulations stipulated by the state. In order to make our service more satisfactory to you, please read these following cards carefully and keep them properly after purchasing.

Product quality assurance:

1. No**t**e: the cards are warranties and must be valid with the seller's stamp and properly preserved.
2. The validity period of service is effective from the date of your purchase, that is, the sales date is based on this certificate.

Services:

1. Within seven days from the date of purchase, if the package is not damaged and does not affect the resale of the product. If you are not satisfied, return the item & package.
2. within fifteen days from the date of purchase, if consumers are not satisfied, we offer replacements with the same value of the products.
3. Under the normal use and maintenance of the purchased products within the three-pack period, the free maintenance service is implemented. If there is a breakdown, it can be repaired and replaced free of charge by the technician after checking and confirming.
4. Be sure to bring all cards when repairing or changing items. The invoice and anti-counterfeiting label should be replaced by the seller.
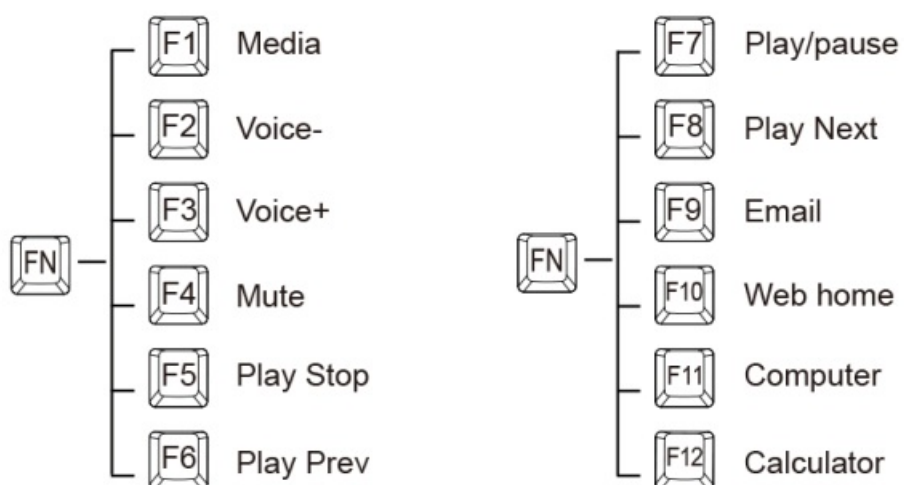

The following scope does not fall within the scope of the Product quality assurance & Services:

1. exceeding the validity period
2. by not using the items according to the instruction manual.
3. self dismantling the equipment/devices
4. not having invoice.
5. unauthorized alteration of three package vouchers
6. tearing the bottom sticker.
7. Fake items/Fake logo
8. vouchers and material objects are not acceptable.
9. due to factors that cannot be resisted.
10. Using pirated software to cause virus to the hardware.
11. External factors
12. other non-product design and non-technical problems, that cause products to damage.
