Power Input: 9 -16 voe, 1 W max.

Temperature Range: -10°C-40°C non condensing 14°F-104°F

Dimensions: 68.5 mm x 40.0 mm x 19.0 mm 2.7"x 1.6"x 0.7"

Operating Frequency and maximum transmitted power 2402MHz-2480MHz: 0 dBm± 2 dBm

Federal Communications Commission Statement

Product Name: Carly Adapter

Model Number: CUA-V200

Responsible party:

Carly Solutions GmbH & Co. KG Kolpingring 8 82041 Oberhaching Germany

E-Mail: info@mycarly.com

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

CAUTION: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment.

Safety Information

- Keep the device away from water, fire, humidity or hot environments.
- Do not attempt to disassemble, repair, or modify the device.
- Do not use the device where wireless devices are not allowed.

Please read and follow the above safety information when operating the device. We cannot guarantee that no accidents or damage will occur due to improper use of the device. Please use this product with care and operate at your own risk.
