CASIO CT-X5000 MIDI Keyboard Set

Product Information

Product Usage Instructions

Function and Compatibility:

The KH-10 headphones are compatible with all standard playback devices such as CD players, stereo systems, and mobile music players that feature a headphone output with a 3.5mm stereo jack. If your device has a 6.3mm stereo jack, you can use the provided adapter to connect the headphones.

Cleaning and Maintenance:

For regular cleaning, use a lint-free, dry, or slightly damp cloth to wipe the headphones. Avoid using any harsh chemicals or excessive moisture. The headphones do not require special maintenance. In case of malfunction, contact an approved service center or the manufacturer.

Volume Level Warning:

Ensure that you maintain an appropriate volume level while using the headphones. Listening at excessively high volume levels can lead to permanent hearing damage. Be mindful of your hearing health.

FAQ:

- **Q: How do I dispose of the headphones responsibly?**

A: The headphones contain recyclable materials. To dispose of them properly, take them to your local municipal collection point or recycling center. Do not throw them in the regular household waste.

- **Q: Can I use the headphones with devices that have a 6.3mm stereo jack?**

A: Yes, you can use the supplied adapter to connect the headphones to devices with a 6.3mm stereo jack.

Overview

PRECAUTIONS (PLEASE READ CAREFULLY).

Children should be supervised to ensure that they do not use this product as a toy. Never allow children to play with the packaging material unsupervised. **Warnings:** Read these instructions and keep these instructions in a safe place. Do not use this appliance in water. **Precautions:** To avoid damage to the product, do not place it in places with high temperatures or a lot of dust, very low or high humidity, do not place it directly next to an air conditioner and avoid direct sunlight. Do not use force when handling the product.

Location: Do not expose the product to the following conditions to avoid deformation, discoloration or major damage: Direct sunlight, extreme temperature or humidity, excessively dusty or dirty place.

Cleaning: Only clean the product with a soft, dry cloth. Do not use paint thinners, solvents, cleaning fluids or chemically impregnated wiping cloths. We reserve the right to make technical changes and changes in appearance. All information is correct at the time of printing. Musikhaus Kirstein GmbH accepts no liability for the accuracy and completeness of the descriptions, illustrations and information contained herein. Colors and specifications shown may differ slightly from the product. Musikhaus Kirstein GmbH products are only available through authorized dealers. Distributors and dealers are not authorized agents of Musikhaus Kirstein GmbH and have no authority to legally bind Musikhaus Kirstein GmbH in any way, whether expressly or by implication. These operating instructions are protected by copyright. Any duplication or reprinting, even in part, and any reproduction of the illustrations, even in modified form, is only permitted with the written consent of Musikhaus Kirstein GmbH.

WARNING: Ensure an appropriate volume level! Listening at too high a volume level can permanently damage your hearing!

FUNCTION AND HANDLING

The headphones can be used with all commercially available playback devices such as CD players, stereo systems and mobile music players that have a headphone output with a 3.5mm stereo jack. If your sound source is equipped with a headphone output with a 6.3 mm stereo jack, use the supplied adapter (6.3 mm to 3.5 mm stereo jack).

MAINTENANCE

Your appliance does not require any special maintenance. In the event of a malfunction, contact an approved service center or the manufacturer directly.

CLEANING

Use a lint-free, dry or slightly damp cloth for cleaning.
