**CCEI PF10T000-12 Tild Pool Automation System**

## Product Information

- **Specifications:**
  - **Product Name:** TILD Pool Automation System
  - **Controlled Devices:** Heater, Single or Variable Speed Pump, Lights
  - **Control Method:** Smartphone App
  - **Compatibility:** App Store (iOS), Google Play (Android)
  - **Manufacturer Website:** [ccei-pool.com](http://ccei-pool.com).

## Product Usage Instructions

- **Installation:**
  - Follow the installation guide provided with the TILD Pool Automation System to set up the control unit and connect it to your pool devices.
- **Downloading the App:**
  - Download the TILD app from the App Store for iOS devices or Google Play for Android devices.
- **Pairing Devices:**
  - Open the TILD app and follow the on-screen instructions to pair your smartphone with the pool automation system. Ensure your phone's Bluetooth is enabled for successful pairing.
- **Controlling Devices:**
  - Once paired, you can control the heater, pump, and lights of your pool directly from the app. Adjust settings, turn devices on/off, and schedule operations with ease.

## FAQs

- **Q: Can I control more than 3 devices with the TILD Pool Automation System?**
  - **A:** The TILD system is designed to control up to 3 devices – a heater, pump, and lights. For additional devices, consider expanding your automation setup with compatible products.
- **Q: Is the TILD app compatible with all smartphones?**
  - **A:** The TILD app is compatible with smartphones running on iOS (App Store) and Android (Google Play)

platforms. Ensure your device meets the minimum software requirements for optimal performance.

- **Q: Can I schedule automated tasks using the TILD app?**

- **A:** Yes, the TILD app allows you to schedule operations for your pool devices, providing convenience and energy efficiency in managing your pool's functions.

## Control 3 Devices

**Control 3 devices with your smartphone:** heater, single or variable speed pump, and lights, all from the palm of your hand.

## Feature

Light

Heat

Pump
