Safety and Handling

Review the user manual before using Wickedbone. Go to www.cheerble.com/wickedbone or open the Wickedbone app to view or download the user manual. Retain documentation for future reference. The manual is subject to change without prior notice.

Important safety information

See ‘Safety and Handling Information’ in the Wickedbone User Manual. To avoid injury or harm, please read all safety information and operating instructions in the user manual carefully before you or your child use Wickedbone, follow the operating instructions. Wickedbone is not suitable for use by children under 8 years of age. Wickedbone has small parts inside its shell, which may present a choking hazard to small children and pets. Keep Wickedbone and its accessories away from small children. Do not swallow Wickedbone and its accessories to avoid damage or injury. Ensure that there are no safety hazards in Wickedbone such as cracked, damaged or otherwise broken parts when operating.

Battery

Wickedbone has a built-in battery that is not removable. Do not attempt to replace the battery yourself to avoid damaging the battery, which could cause overheating, fire, and injury. Please see ‘Battery Safety Guidelines’ in the Wickedbone User Manual for important usage information. Note that Wickedbone battery must be recycled or disposed of separately from household waste. Dispose of batteries according to your local environmental laws and guidelines.

Health Considerations

See ‘Health Considerations’ in the Wickedbone User Manual.

Maintenance and Care

Wickedbone is not waterproof, do not drive it through any kind of water or wash it. See ‘Maintenance and Care’ in the Wickedbone User Manual.

Support

Do not attempt to service Wickedbone yourself. More support information about Wickedbone is available online at www.cheerble.com/support. You can also contact our after-sales service staff for more support by sending email to support@cheerble.com.

One-Year Limited Warranty

Shenzhen Cheerble Technology Co., Ltd. (‘Cheerble’) assures the initial purchaser, there will be no materials and workmanship defects in Cheerble hardware product (‘product’) for one year from the date of original retail purchase under normal use. Cheerble does not warrant against normal wear and tear, nor damage caused by accident or abuse. Cheerble shall not be responsible for any loss due to failure to comply with the relevant instructions for use of the product. This warranty is valid only within the jurisdiction of Cheerble or through the sale of the product by its authorized distributor or agent, or within the scope permitted by the applicable law of such jurisdiction. The available service options are dependent on the country in which service is requested and may be restricted to the original country of sale. Under applicable law, Cheerble may require you to furnish proof of purchase details before obtaining the warranty service. For the full terms and detailed information about after-sales services and warranty policy, go to www.cheerble.com/support. If you submit a valid claim under this warranty, Cheerble will either repair, replace, or refund your product at its own discretion. To obtain service, you must send the product to the address specified by Cheerble, and use the original packaging or provide the same

degree of protection packaging. Unless prohibited by applicable law, we may charge for shipping and handling fees. The limited warranty shall be governed by the local consumers laws.

Regulatory

This device complies with CE, FCC requirements. See 'Compliance Information' in the Wickedbone User Manual for more detailed regulatory Information, certification, and compliance marks of this device.

FCC Compliance

This device complies with part of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer, or an experienced radio/TV technician for help.

Changes or modifications to this equipment not expressly approved by Shenzhen Cheerble Technology Co., Ltd. could void the user's authority to operate the equipment.

FCC ID: 2A065-C1702

Specifications

Model: C1702

Weight: 500 grams (including battery)

Dimensions: 151.5 x 64 x 64 mm / 6 x 2.5 x 2.5 inches

Wireless Connection: BT 4.0, 2.4 GHz

Battery Capacity: 500 mAh

Battery Type: Li-Polymer

Input: DC 5V = 1A Max.

Operating Temperature: 0° to 40° C (32° to 104° F)

Max Speed: 4 m/s

Suggested Control Distance: Up to 20 m (65 ft)

Compatible Device: iOS 9.0 (or later) or Android 5.0 (or later)

FCC ID: 2A065-01702
