Product Usage Instructions

1. Connect the CHERRY UM 3.0 USB microphone to your computer using the provided USB cable.

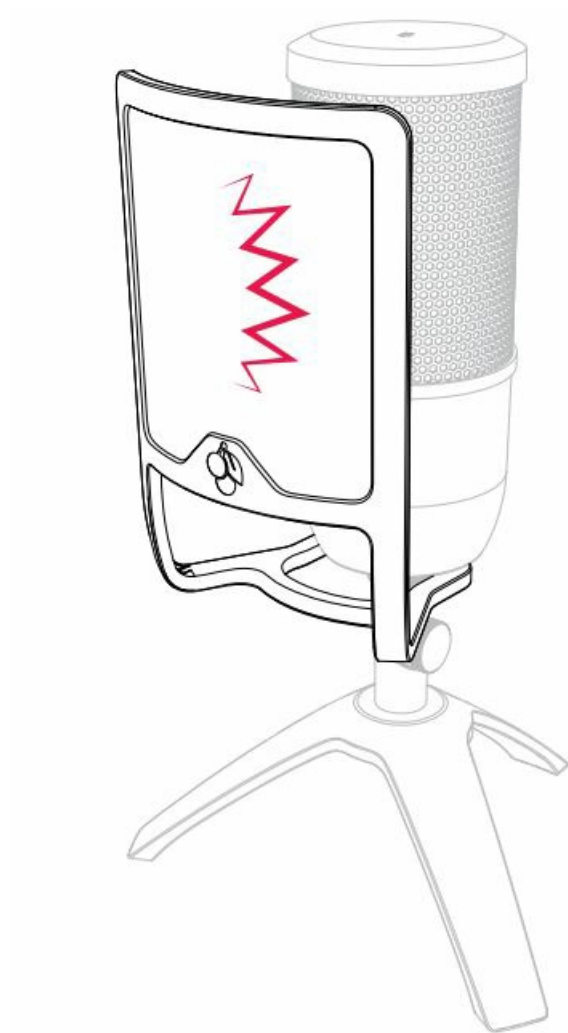

2. Ensure that the microphone is securely connected and recognized by your computer.

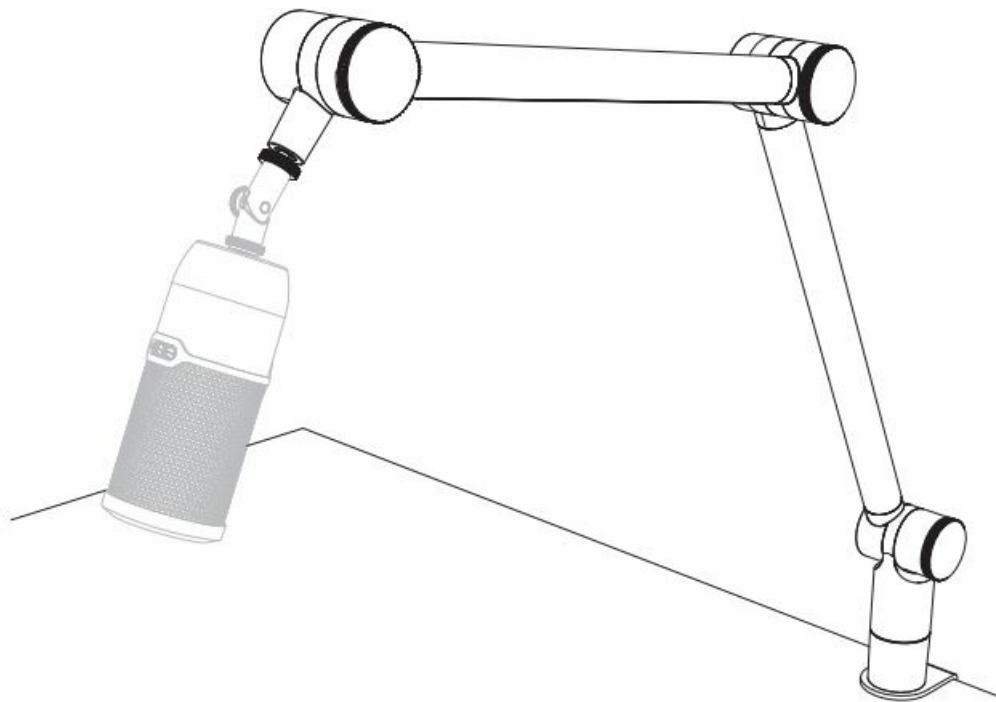

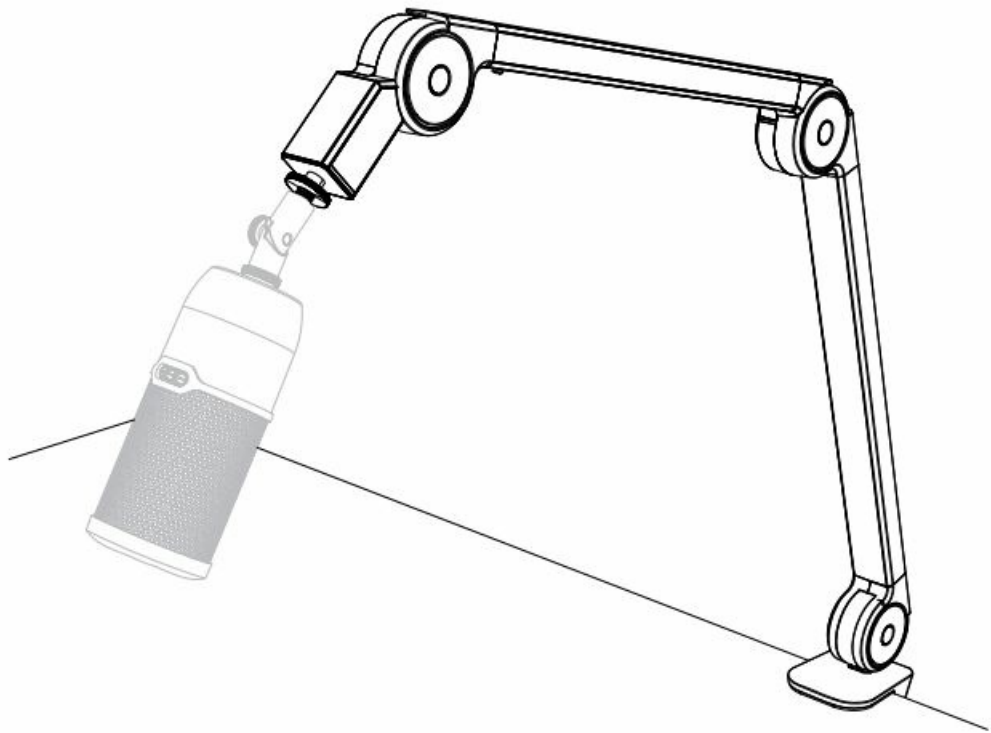

3. Set up the CHERRY UM POP FILTER, if desired, by attaching it to the microphone stand or boom arm.

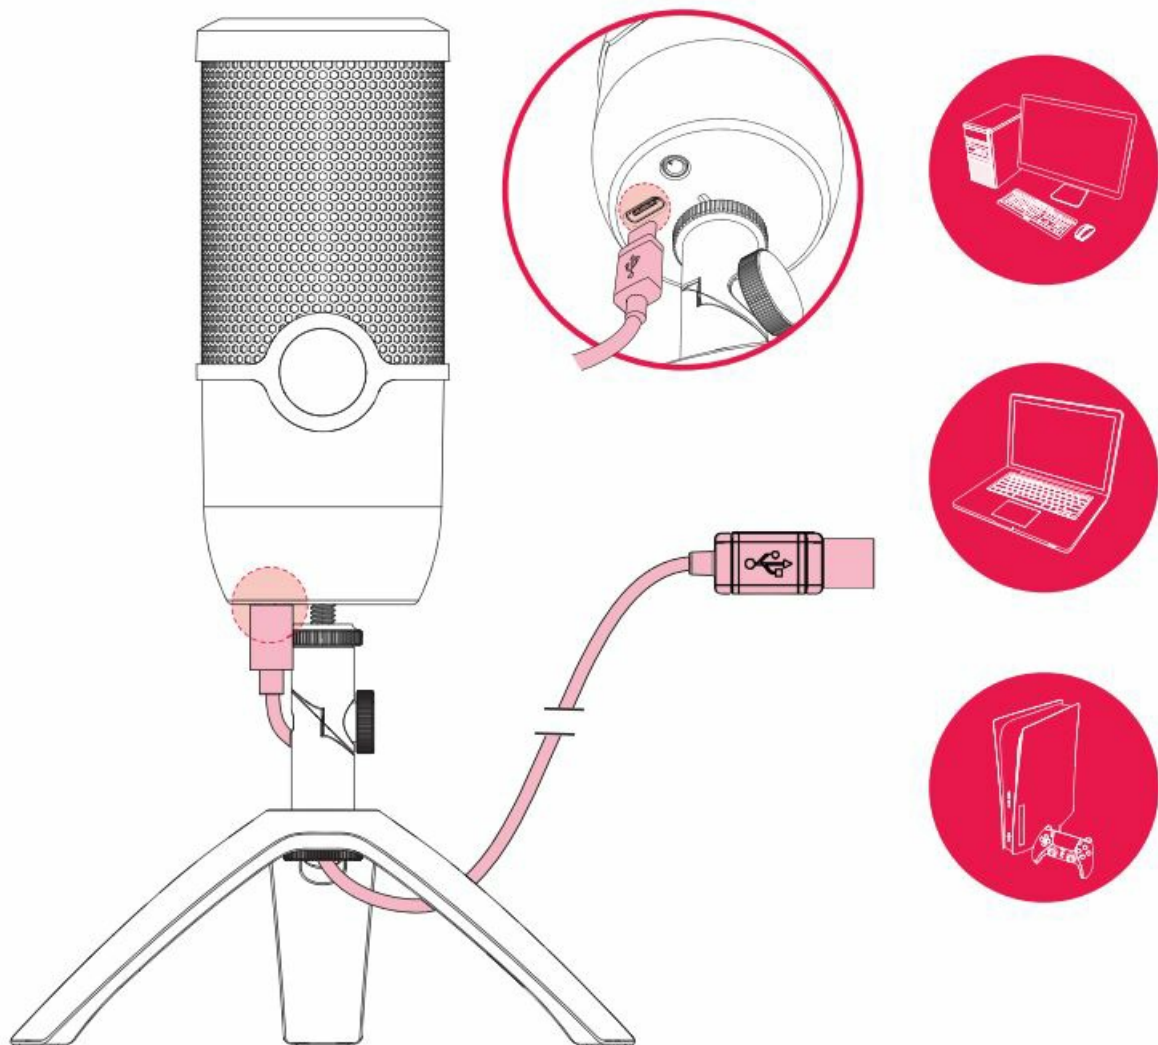

4. Position the microphone at a suitable distance and angle for optimal audio recording.

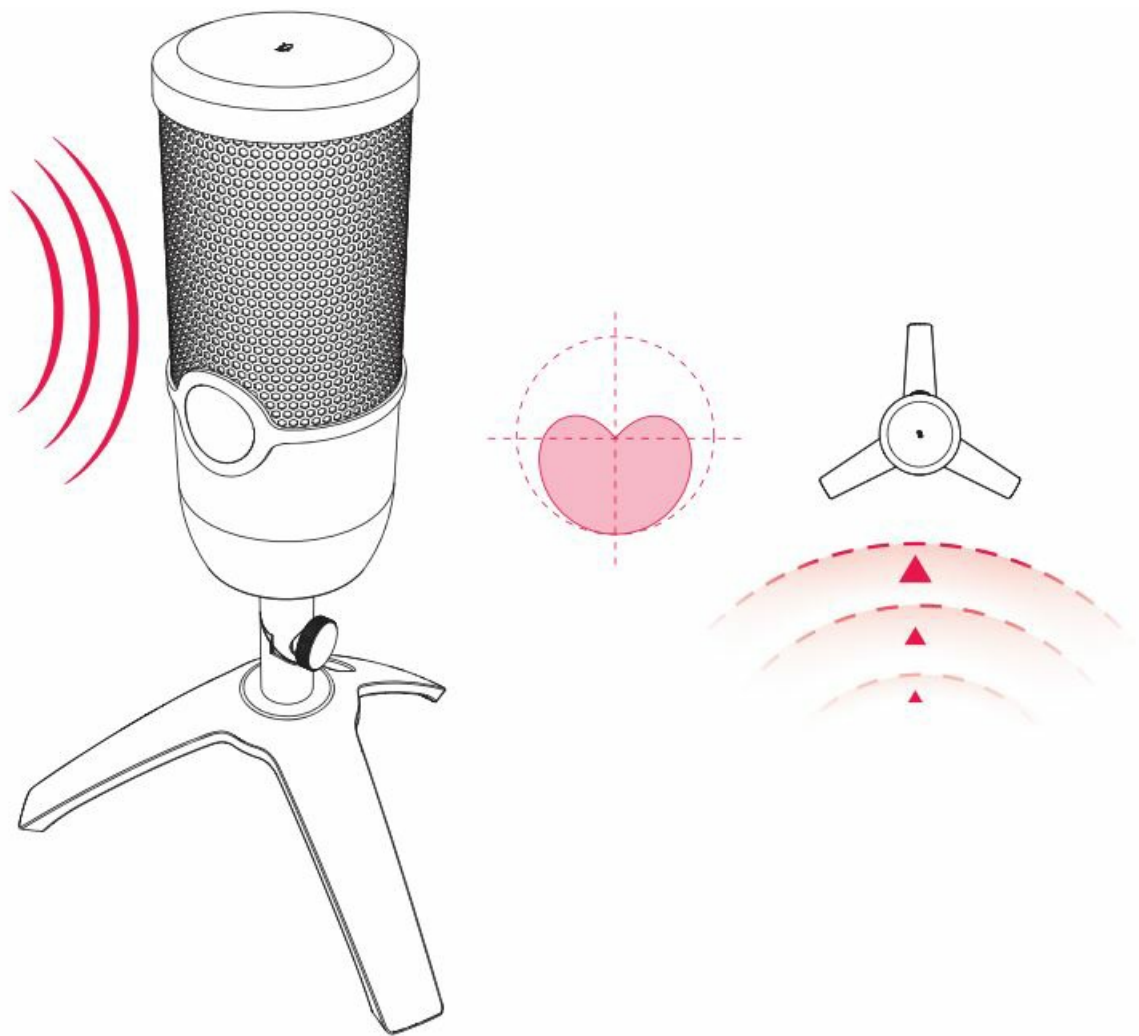

5. Adjust the microphone settings on your computer or recording software as necessary.

6. To use the CHERRY MA 3.0 UNI or CHERRY MA 6.0 UNI USB, connect them to your computer using the provided cables.

7. Refer to the user manual for the CHERRY MA 3.0 UNI or CHERRY MA6.0 UNI USB for specific usage instructions.

Note: When disposing of the device, follow proper disposal guidelines to minimize environmental impact.

DEVICE DISPOSAL

- Do not dispose of devices with this symbol in household waste.
- Dispose of the devices in accordance with statutory regulations – at your local dealer or at municipal recycling centers.
