Frequently Asked Questions

Q: How do I adjust the brightness levels?

A: You can adjust the brightness levels by single pressing to increase or decrease in 10 levels, or long pressing for smooth adjustment.

• Q: Can I set a timer for the light to turn on and off automatically?

A: Yes, you can set timers for 3, 9, or 12 hours, and the light will follow your timer settings for automatic operation.

• Q: What is the height range for the grow lamp?

A: The height of the grow lamp can be adjusted from 8 inches to 31.5 inches for different plant growth stages.
